Elizabeth George, whose books have sold more than 3.7 million copies, is the author of A Wife After God's Own Heart, Loving God with All Your Mind, and Life Management for Busy Women. She is also a popular teacher and speaker at Christian women's events. Elizabeth and her husband, Jim, are parents and grandparents, and have been active in ministry for more than 30 years.

I absolutely loved this book. It was easy to read, very applicable, and she gave practical advice that

I felt I could actually try. Her writing is biblically sound and I even bought an extra copy to give to a friend. This is definitely a book I will come back to over and over again.

I bought my first copy of this journal over 10 years ago. I absolutely love it because it helps me streamline and organize my prayers. Each day begins with a scripture verse and then there are 8 sections in which to organize your prayers ranging from 'My relationship with God' to 'My husband/family' to 'My ministry', ending with a spot in which to write any response to your prayers called, 'My heart response'. The book is lovely, feminine yet simple. Inside the front and back covers I have handwritten a multitude of scripture prayers to help me when I am at a loss of words to my God. Then Elizabeth George ends each day with a devotional thought from her. I love this book so much that I just bought two more copies as I was afraid I'd never get another opportunity to own these as they are out of print.

This book change my views on life as a black women and help me get it together. I struggled with submission, never was really taught about it. Now I have peace with God and ready to go higher. It's a must read if you ready to change your life.

Love this book. We are going to use it at our Women's fellowship at church and I already started reading it, just awesome! Pairs with the study guide that we already have by the same author.

Reading 'A Woman After God's Own Heart' a second time, this time as a senior woman, still challenged me in my walk with God, my husband and family. Sharing it with my summer Bible Study group has even made it more challenging and rewarding. It is definitely a book with a blessing. I would encourage women of all ages to read/study.....you will be blessed.

Wonderful book. I'm doing a bible study with women ages 24 to 70 and everyone is enjoying it and growing in their relationship with the Lord and with their husbands. Highly recommended.

Loved it!!!! I got this to listen to in my car on the way and from work. Helps me to keep things in perspective. Making sure to put God first.

I got this for my best friend. My cousin got it for me. I love it!!! Helps to make sure you put God first.
