The New Rules For Love, Sex, And Dating

Synopsis

“Are you who the person you are looking for is looking for?” Andy Stanley asks. Looking for the “right person”? Thinking that if you met the “right person” everything would turn out “right”? Think again. In *The New Rules for Love, Sex, and Dating*, Andy Stanley explores the challenges, assumptions, and land mines associated with dating in the twenty-first century. Best of all, he offers the most practical and uncensored advice you will ever hear on this topic. Not for the faint of heart, *The New Rules for Love, Sex, and Dating* challenges single Christ followers to step up and set a new standard for this generation! “If you don’t want a marriage like the majority of marriages,” says Stanley, “then stop dating like the majority of daters!”

Communicator, author, and pastor, Andy Stanley founded Atlanta-based North Point Ministries in 1995. Today, NPM collectively serves over 60,000 weekly between local Atlanta churches and partner churches worldwide. He is also the author of 20-plus books and is considered one of the most influential pastors in America. Andy and his wife, Sandra, have three grown children and live in the Atlanta area.

A book for everyone who wants a relationship that will work. Doesn't matter if you are 18 or single and looking at a much later age. Andy Stanley is an amazing teacher, filled with wisdom and clarity. Bought the book for my young-adult grandkids, with their parents' permission.

Good for anyone dating at any age. The idea to take a year off, might be too much for some, but most other ideas in the book should be relatable to all.

This is awesome for any age but especially for teens, young adults, and divorced adults. I gave a copy to my kids and Grandkids!

I read this at the start of a new relationship, I found it to be so helpful in building a solid foundation! I purchased a copy for my 53 yearold divorced father, who also loved this book! A great read for all, no matter age or relationship status.

Anyone in a relationship or seeking one should read this book. Andy Stanley is a wonderful and humorous writer.

Every person that wants a spouse or has a spouse should read this. Andy Stanley makes this fun and easy to relate to. I've had my kids (16 & 18 boys) read this book. It has as much to do with dating as it has to do with relationships. We've found this to be just as insightful for marriages as dating.

I got this book because the pastor of Hope City Church in Houston, TX recommended it. Having a daughter who has recently gone through a divorce has left me floundering for answers about why it happened. This book is one of the best I have ever read about finding the kind of relationships God intends for us to have and the warning signs of ill fated ones. Well done, Andy Stanley!

Bought for my daughter. I choose it because when I read about it and the author I thought it would be a great book
