## Synopsis

Blake Ritson, David Warner, Hattie Morahan and John Hurt star in this BBC Radio 4 dramatisation of Dante's epic poem. **Inferno:** Thirty-five year old Dante finds himself in the middle of a dark wood, in extreme personal and spiritual crisis. Hope of rescue appears in the form of the venerable poet Virgil, now a shade himself, who offers to lead Dante on an odyssey through the afterlife, beginning in the terrifying depths of Hell. **Purgatorio:** Dante is led up Mount Purgatory by his guide. They encounter numerous souls who have embarked on the same difficult journey - one that will eventually lead to their spiritual salvation. **Paradiso:** Dante's journey comes to a glorious conclusion as he is led by Beatrice, through the spheres of Paradise and into the presence of God himself. As they ascend, they encounter a number of souls who have also achieved blessedness. Many years later, the older Dante reflects on the episodes from his life that have inspired his great poem.

## Customer Reviews

I purchased the audible version of this book. I can honestly say this dramatized depiction is amazing. Could not have been done better. The actors were great, sound effects were great. I think this was also a great translation!

Best audiobook read ever! I was so enchanted while listening to this book. It felt like I was in the middle of a movie. I loved it so much!
