Minx has no idea about loving someone.She comes from a past steeped in trade and abuse as

such she pretty much keeps everyone, especially men at arms length.Cash is ex navy SEAL and at home in the club. Minx fascinates and calls out to him. Will he be the one to break down her barriers and get close to her?Buy the book and find out for yourself. A wonderful book of hope and courage.

Beginning of a great series. Want more. Don't be shy give it us more. Banner & characters are so awesome. .....but you are holding back. The story is great. Do not be shy follow that rabbit hole cause I wanted more and I will be following this story. I want to know CAOS. You have a great read here

Wow I just loved this story. This was one of the best books I've read in awhile the characters are so deep and great it left me emotionally invested in this book

Minx and Cash have a rough story. It's always hard to read about abuse but uplifting to see them overcome. Definitely recommend for their love story.

Love the dynamic of the book. You think it's going one way when it surprises you to go the other

This is definitely a must read book!! Time and patience of a strong man and heal the hidden wounds of a scared scarred woman.

Great read very detailed enjoyed very much

Cash has been part of the CAOS motorcycle club since he retired from the Navy SEALs. Minx was rescued from a terrible situation by CAOS member, Magnus, and the club has been her surrogate family ever since. In spite of her awful teen years and her inability to trust, Minx is trying to make something of herself, taking college courses and starting a clothing design business. I had read Talon and MickÃf¢Ã â  $\neg$ à â,,¢s story and was dying for another installment of the CAOS MC so I was glad to get my hands on an advance copy of  $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  Å"Cash. $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,,¢s character and was salivating for her HEA. She $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,,¢s damaged, vulnerable and scared. Inside, she $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,,¢s much more hurt little girl than mature, confidant woman. But Cash wants her, just as she is. Having had such a violent past that makes her scared for the future, one thing is certain -- Minx $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,,¢s heart will always be safe with

Cash. OMGee, every girl should be so lucky to have a guy love her they way Cash loves Minx! He knows sheÃfÂ¢à ⠬à â,,¢s wounded and scared and her first instinct is to run, but he refuses to let her go, instead taking on her fear and pain, helping her become stronger with him than she could ever be alone. How do you not love a guy like that? Of course, it doesnÃf¢Ã ⠬à â,,¢t hurt that heÃf¢Ã ⠬à â,,¢s alpha-sexy, confident, irresistible (if he does say so himself), and just a bit cocky, with that heart-melting grin of his. This book was every bit as great as I anticipated it being, and I canÃf¢Ã ⠬à â,,¢t wait for the next CAOS memberÃf¢Ã ⠬à â,,¢s book. If you like MC romance, youÃf¢Ã ⠬à â,,¢ll want to grab a copy of this one! Definitely a 5+ star read!!
