# Catching The Travel Bug In Vanuatu (Catching The Travel Bug In... Book 1)

## Synopsis

Vanuatu ticks all the boxes: island getaway, safe and friendly people, warm tropical climate, great snorkelling spots and ideal for your first international venture to the South Pacific. Vanuatu artistically has colour encapsulated both naturally and physically across its islands. The locals often present it in their clothing and sometimes with a quiet touch of a hibiscus flower placed in their hair. You cannot help thinking that the beautiful fish you study closely when you snorkel are not the only colour that surrounds and engulfs these islands of Vanuatu. The colours reflect the beautiful smiles of the Vanuatians who go about life with freedom and sincere love.

## Customer Reviews

...don't expect to learn much more than the author's pleasurable feelings about his vacation. A booklet, not a book, but kind of fun.
