Great book

This was given as a present to my Mom so she could follow my Son's travels. She loves it!

Great condition and exactly the information I was looking for

This guide is great, with many colorful pictures e maps. Sometimes it's much easier to look at the picture instead of reading the description of a place.

Good Product. Informative. Well Written & great illustrations/photos

Perfect - thank you!

Had what I needed for two separate one week trips to Singapore. It was odd to have Singapore sandwiched between different sections in the book.

DK is the best!! Totally new guide!
