# Kansas Atlas & Gazetteer

## Book Information

Series: Kansas Atlas & Gazetteer

Paperback: 80 pages

Publisher: Delorme; 1st edition (January 1997)

Language: English

ISBN-10: 0899332153

ISBN-13: 978-0899332154

Product Dimensions: 0.2 x 11.2 x 15.8 inches

Shipping Weight: 1 pounds

Average Customer Review: 4.8 out of 5 stars 4 customer reviews

Best Sellers Rank: #2,882,945 in Books (See Top 100 in Books) #8 in [Books > Travel > United States > Kansas](#) #892 in [Books > Travel > United States > Central](#) #1489 in [Books > Reference > Atlases & Maps > Atlases & Gazetteers](#)

## Customer Reviews

Hard to beat for finding all the back and side roads.

We have already used it a couple of times to find back roads to get our farm equipment down. Really like it so far.

If all you care about is getting across Kansas on the interstate or a federal highway, your average road atlas will do. However, for serious exploration a gazetteer is invaluable. I've had my copy for several years now, and although I live in southern Nebraska, I've had ample opportunity to explore Kansas. I've found this gazetteer to be a useful tool in finding secondary roads that provide a shortcut between one location and another, since all the roads (even the least maintained secondary roads) are shown. Moreover, the gazetteer shows many topographical features, including the smallest creeks, ponds, hills, and the like. If you enjoy driving on the road less traveled, this one's for you.

I was born and grew up in Kansas, yet there is much of the state I've never seen. I recently began driving the back roads of Kansas to get from my house to my daughter's on the western side of the state. I am learning to appreciate the undervalued beauty of Kansas. This atlas, showing all the roads in Kansas, including county roads and minimum maintenance roads is an excellent resource

for finding my way around the state. It's fun to look in the atlas and find the little dirt road that runs by the cemetery or to see the gravel road that edges the pasture owned by a friend. I didn't realize map reading could be this fun!
