#### Synopsis

Glimmers of Change is the seventh book in the Bregdan Chronicles historical fiction series. As of today, there are 10 books in the series. Make sure you start reading with # 1  $\tilde{A}c\hat{a} - \hat{a}c$  Storm Clouds Rolling In. It's readers like you who have turned the series into a world-wide best-seller. Thank you!Book Description: The Civil War has ended, but the struggle to rebuild America is just beginning.Carrie and Janie are living their dream in Philadelphia, but what price will they pay when cholera sweeps through America once again? Robert searches for peace on the plantation, but forces are in place that are determined to deny it. Moses and Rose are driven by forces beyond their control to become leaders in the midst of a violent racial revolution. Jeremy discovers love, but will the reality of his heritage make it impossible, and will he survive the forces determined to destroy the factory? And will Matthew finally free his heart? Volume # 7 of the Bregdan Chronicles continues to sweeping historical saga that now encompasses the first full year of American Reconstruction. How many books will be in the Bregdan Chronicles? No one knows yet  $\hat{A}\phi\hat{a} - \hat{A}$ Ginny intends to write these character's stories, one year at a time, for as long as she is able to write. She is passionate about bringing history to life through historical fiction. Since she is amazingly healthy, that could be for a very long time! She doesn  $\tilde{A}$   $c\hat{a} - \hat{a}_{s}$  ct like stories to end any more than you do. This one won't end for a very long time! Review: I'm so excited Glimmers of Change (Book 7) is finally released! These characters have become like family and I feel like I've been out of touch with my "family" while waiting on this release. Ginny is a wonderful writer and brings each character to life. When one character is affected, I feel as though my own family is suffering along. Sometimes when I'm talking with friends, I begin to share the trauma or crisis and then realize, "Oh, that's not my real family!" We have a chuckle and move on. I downloaded Glimmers of Change just after it's release last night. I'm on Chapter 4 now. I'm contemplated "pretending to be sick" so I can curl up and put all my daily responsibilities aside and read the entire book - hopefully without distractions. Thanks Ginny! You are a prized writer and are much appreciated!Review: Ginny Dye has done it again, I'm so glad she doesn't rush her books and gets in so many facts and details I can picture every scene, she doesn't gloss over anything. Thank goodness there are some lighter moments and romance to break up what the freed slaves had to endure. I love all the characters, especially Aunt Abbey. I stayed up reading late into the night as with the other books in the series, you just can't put them down. I've learned a lot of history of the south through this series, and can't wait for #8!

This has to be the best book in the Bregdan series. I learned so much about what happened in this country in 1866. I appreciate the time and effort the author spent in studying the overall political situation in the southern states and President Johnson's refusal to intervene. The riots initiated by the police against the blacks in Memphis and New Orleans were horrifying. Yet I never felt like I was

reading a history book due to the personal involvement of all the dear people that I have come to love throughout this series of books. Can't wait for the next one, Ginny Dye.

The word glimmer can be defined as a flicker, a flash, or even a twinkle. I like the glow of a twinkle! At first it was difficult for me to understand what a  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} - \tilde{A} \hat{A}$  "glimmer of change  $\tilde{A}f \hat{A} \phi \tilde{A} \hat{a} \neg \tilde{A} \hat{A} \cdot can be?$  After finishing the book I then understood its more about the  $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg \tilde{A}$  Å"how $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg \tilde{A}$  Å• changes take place. "Change $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg \tilde{A}$  Å• can quickly and dynamically alter one  $\tilde{A}f\hat{A}\phi\tilde{A}\hat{a}$ ,  $\tilde{A}\hat{a},\phi$ s path in life as events unfold. Being hopeful for a new life $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â •growing stronger and confident $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â •following one $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ s dreams can all be subtle insights or glimmers we are gifted with as we grow through the struggles or complications or just daily interactions of our lives. Each of the books in this series has inspired me with great joy and wisdom in navigating the events of my life. The reconstruction years following the Civil War changed how people lived. These years were not even on my radar as far as imagining how events took place following so much loss of life, the rebuilding of the economy, and unfortunately experiencing racism and inequalities. I also was inspired by the shared passion and unity of stakeholders in fighting for equality. What I learned about myself is that I am not passionate enough to support issues existing in my world today! (I saw a glimmer for change). The ensemble cast of characters demonstrated much growth in this year. Children were born, new love interests were uncovered, and the cruelty of racism and hatred made me almost physically sick. The descriptive artistry of the author  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} - \tilde{A} \hat{a}_{,,\phi}$  cs passages placed me curbside  $\tilde{A}f\hat{A}c\hat{A}\hat{a} - \tilde{A}\hat{a}$  watching the unnecessary slaughtering of life in Memphis and New Orleans. I fact-checked these events and I am so pleased to report that the author not only captured factual details of these riots but she connected me to that time period as the characters I have grown to love were integrated into these events. I never imagined reading seven books in so little time. I never expected to receive this much joy from reading and yet I am so happy I am learning about this time in history, learning about myself, and being inspired to be more passionate about current issues in my life. I am tremendously thankful to the incredible friend who got me hooked onto this treasure!! Thanks to the author for yet another great story! I just started book 8 and I am now learning about the integration of

 $\tilde{A}f\hat{A}\phi\tilde{A} = \tilde{A} \hat{A}|\tilde{A}f\hat{A}\phi\tilde{A} = \tilde{A} \hat{A}|\tilde{A}f\hat{A}\phi\tilde{A} = \tilde{A} \hat{A}|...|\tilde{A}f\hat{A}\phi\tilde{A} = \tilde{A} \hat{A}, \phi$ ll wait to report on what I am learning when I finish this book.

Glimmers of Change #7 in the Bregdan Chronicles was another great read. In all of my other

reviews of each book thus far, I have praised Ginny Dye's writing and her characters that have brought the suffering and the atrocities of the Civil War to light.SPOILER (perhaps):This book brought all the hate and anger towards the black population after the war. It showed that these feelings even corrupted the police officers and the government officials. The black population and the white sympathizers were all hunted down and tortured or killed trying to eliminate them altogether - and it was done not only with burning hatred but also with glee that they were doing it. The whole idea made me nauseous that people could and would do this to other human beings and be proud and joyful because of it.I do recommend that you read this book along with the others in this series. It is a great series. I still give it 5 stars although in my heart I cringe at the actions of the animalistic behaviour of those that called themselves Americans and I am embarrassed to say that these abhorrent people were part of our country.
