I really like this book. I stumbled across them while browsing books-I love word searches so checked them out. They are sturdy, fit in a pocket or purse, the band keeps it closed, and it’s a different form of word search! It makes you think - you read the category, it tells you how many ‘word answers’ you are looking for, you try to think of possible words that fit the category - and away

you go The letters are not tiny print, so you can see them. The covers are so bright and pretty. I went to my niece's house one evening for Christmas; I have Parkinson's so never sure how I'll feel. I stuck this and a pencil and pen in my purse - just in case it was needed. I now own four!!!

Fun puzzles but despite the title not any puzzles related to Christmas so kind of a let down.

I really liked this puzzle book. I never knew these books were around, but now I will continue to buy them I really enjoy doing the puzzle, they are easy to take with you, in your purse or bag, etc. Keep the good work. Thank you so much Pearl Hosken

puzzles are excellent and keep me very entertained. would recommend to everyone. very convenient to take on trips as they are small to fit in purse or pockets.

small little travel fun to take everywhere. I have many layovers as a driver and I enjoy a page while sitting and waiting for riders
