Customer Reviews

Harvest House Publishers was conceived in 1974 with just five titles and a dream in the heart of its founder, Bob Hawkins, Sr. to publish books to help the hurts of people. Within two years, five of its titles had sold more than 100,000 copies and one title was on the bestseller list for eight months in a row. By the late 1980s, Harvest House was among the top ten publishers of Christian literature. The company publishes more than 150 new books each year and offers a strong backlist of more than 1200 titles. Harvest House books gained a reputation of being affordable, trustworthy and practical by meeting people's most current needs in three major categories: self-help (relationships, family, Christian living), Bible resources (Bibles, Bible studies, topical studies), and full color gift and children's books featuring top licensed artists. More than 100 million Harvest House books have been sold worldwide in bookstores, gift stores, grocery stores, airports, mass market outlets,

catalogs, on Internet sites, and in digital format online. Millions more have been sold in 75 languages around the world.

A book for men to have at work or in their car and home to use when you just need God and you under pressure for your time in a Godless world. Will keep God in your day.

Very good book. My fiancé loves it and keeps it in the center console of his car for quick reads on his breaks at work.

Sometimes during the day we don't have time to stop and pray. Sometimes relaying the prayer to Jesus is difficult and with this book there are many topics that can give you the exact words you need to send to Jesus.

My grandson who works lots and has little free time really appreciated this book.

This is my second time purchasing it as a gift. Really great guide for spiritual connection for your guy.

This was a gift for my husband and he loves it!

easy to read, thought provoking, covers many topics

Perfect for the guys in your life. Short and sweet but deep and meaningful. I plan to buy again. It's small enough to carry in a backpack or purse. It reminds me of a guy version of Jesus Calling in a way. Shipping was fast and seller was excellent.
