Rise To Greatness: The History Of Canada From The Vikings To The Present

Synopsis

Masterful, ambitious, and groundbreaking, this is a major new history of our country by one of our most respected thinkers and historians -- a book every Canadian should own. From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada -- a revealing, groundbreaking account of the people and events that shaped a nation. Spanning 874 to 2014, and beginning from Canada's first inhabitants and the early explorers, this masterful history challenges our perception of our history and Canada's role in the world. From Champlain to Carleton, Baldwin and Lafontaine, to MacDonald, Laurier, and King, Canada's role in peace and war, to Quebec's quest for autonomy, Black takes on sweeping themes and vividly recounts the story of Canada's development from colony to dominion to country. Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness, the opposite is in fact true: the emergence of a magnificent country, against all odds, was a remarkable achievement. Brilliantly conceived, this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today.

Average Customer Review: 4.3 out of 5 stars 20 customer reviews

Best Sellers Rank: #506,294 in Books (See Top 100 in Books) #449 in Books > History > Americas > Canada

Customer Reviews

CONRAD BLACK is the author of widely acclaimed biographies of Maurice Duplessis, Franklin D. Roosevelt, and Richard Nixon. He was for many years the head of the Argus, Hollinger, and Telegraph Newspaper groups. Black is a financier, and a columnist in the National Post, which he founded, and the National Review Online and Huffington Post. Black served three years in US federal prisons tutoring fellow prisoners for their secondary school matriculations, although all charges against him were eventually abandoned, rejected by jurors, or vacated by the US Supreme

Court, and he won the largest libel settlement in Canadian history from his original accusers. He has been a member of the British House of Lords since 2001. He lives in Toronto. The author lives in Toronto.

I haven't finished this book yet, but it is very dry. If you want a reference of all the Governor's General and explorers, etc., it's probably a very good reference book, but I keep feeling that there are some terrifically good stories about life in early Canada that I'm missing. It's an exciting place today, and I'm sure it always has been. The book is very well written, just old, dry facts.

It is very informative and there is a lot of details.... You have to love historywhich I do. But it is a long read. Conrad knows his history and he loves to write. Thank you.

A fabulous history lesson although not an easy read it's still very enjoyable.

Great read on a wonderful subject. A terrific writer with concise and precise thinking. Every Canadian should read this.

A very good history of Canada and how world events affected our country.

Even an American could appreciate this work.

Not his best work. It's too easy to get lost in the details and lose sight of the narrative in this history of our great country.

Great delivery time for a great book!
