## Customer Reviews

The selections are wonderful, but the "contemporary" nature of some of the pieces doesn't always lend a charming feel. I felt that some of the arrangements of more traditional Carols like Hark the Herald Angels Sing and First Noel were too contrived and altered and simply don't flow. Ms. Tornquist did a nice job of duplicating Handel's And the Glory of the Lord, but it's a little on the long side for just a piano version. My favorites are And He Shall Feed His Flock, which DOES work very well for piano. Also, the beautifully modulated In the Bleak Midwinter is lovely and lyrical. Ms. Tornquist did a fun rendition of Joy, Joy, Joy... the German carol. It's very rhythmic and fun to play. Lastly, The Rocking Carol isn't a piece one hears each Christmas. Tornquist's adaptation is stellar and challenging in the different variations she uses in the arrangement.

Lovely arrangements with a full sound, which I have come to expect from all of Carol Tornquist's work. Even when the section is simply done, it is full of freshness. More, please!

nice

Ms Tornquist never fails to surprise and inspire one to play beautiful chords and melodies on the piano. Her arrangements are easy to read in this book, and sound great when played. A great book to use at home or in a classical church setting.

Beautiful. Harder than expected but worth the extra bit of practice needed !

As usual, Carol does a fantastic job arranging these Christmas pieces. I like her music because it is not difficult to learn, yet the pieces don't sound simple.

A nice collection of tunes without the cookie-cutter feel. Not too difficult for the volunteer church pianist.
