The Miracle Worker (Dramatized)

Synopsis

Drama / 7m, 7f / Unit set Immortalized onstage and screen by Anne Bancroft and Patty Duke, this classic tells the story of Annie Sullivan and her student, blind and mute Helen Keller. The Miracle Worker dramatizes the volatile relationship between the lonely teacher and her charge. Trapped in a secret, silent world, unable to communicate, Helen is violent, spoiled, almost sub-human and treated by her family as such. Only Annie realizes that there is a mind and spirit waiting to be rescued from the dark, tortured silence. With scenes of intense physical and emotional dynamism, Annie's success with Helen finally comes with the utterance of a single, glorious word: "water". "Interesting, absorbing and moving." - New York Post --This text refers to the Library Binding edition.

Best Sellers Rank: #37 in Books > Audible Audiobooks > Fiction & Literature > Drama #247 in Books > Literature & Fiction > Dramas & Plays > Regional & Cultural > United States #17232 in Books > Literature & Fiction > United States

Customer Reviews

My high school granddaughters knew who Helen Keller was, but they had never seen or read the play by William Gibson. After I gave them the book, I showed them (as well as two younger grandsons, ages 9 and 11) the fantastic 1979 film with the amazing Patty Duke and Anne Bancroft. It was a wonderful bonding time for my grandchildren and me.

If you're looking for cyberpunk reading material, be warned: this is NOT the same William Gibson of Neuromancer fame, though a brief perusal of the description should have told you this. William Gibson, the cyberpunk novelist, was born in 1948; this play by William Gibson, the playwright (b. 1914), was first produced in 1959. To the idiots leaving 1-star / negative reviews of this item without having read the description, you got what you deserved. A quick perusal of Gibson's own website

gives you a concise list of the books he's written

I enjoyed directing this play very much for Texas OAP contest. Interestingly enough, I'm currently reading *SPRING THAW* by Tammy Fish, and one of her characters reminds me so much of Anne Sullivan - you can check out that novel at <http://www.springthawnovel.com/> I recommend it highly! In this play, Gibson does a great job showing the amazing truth of history, Anne Sullivan, struggling with the loss of her brother, matches stubbornness with Helen Keller to spark an enlightening the entire world has been able to enjoy. This play has wonderful family interaction, moving drama, and some great humor from Jimmy, Helen's brother. It is one of the top plays to reach the state contest in One Act Play, and there's really no surprise why, highly recommended!

I loved the story! Even though I normally don't like reading script this is one of the most dramatic and heartwarming books I have ever read. I read it on Kindle, but I don't believe that it matters as long as you read it.

Indescribably amazing!! This true story is one every person should read. A visit to Ivy Green is highly suggested so you can not only read but see for yourself where the miracle happened.

An educational read. I found the play to be inspiring as well. Good for intro to acting courses too.

Great play and the original movie as well.

This book was for my 12 year old grand-daughter, she loved it.
