Come with CD recording of piano accompaniment and reading. Lyric come with for English translation, word by word English translation, pronunciation key. Selection is good. Some times Key for Medium high is almost Soprano. Kay for Medium Low is Contralto. I think Key for Medium high to be Mezzo soprano and no higher than key used by Cecilia Bartoli.

Great collection! Now it has 2 more songs, IPA pronunciation guide, and information on each song. This beautiful music will serve as a marvelous introduction to Italian song for beginners.

This is based on the old 24 Italian Songs and Arias, but with newly engraved scores, language tools (IPA transcription, literal translation, etc. Recording has language coach AND well played accompaniments that are reasonably easy to use for the voice student. Also available with 5 different keys (in the other volumes) so a great resource for vocal music teachers.

The songs are great and famous Italian Arias. No complaints about selection, but the binding doesn't lay flat and is very cumbersome to try to read from, which was surprisingly annoying. Also the pronunciations are spoken a bit fast for someone who doesn't know Italian.

This is an amazing collection. The music is easy to read and the 2 CDs are clear and instructive. I've put the CDs on my iPod and listen to what piece I'm working on when I walk. The other reviews made it clear that this is a must buy and it is! Many of the songs have also been recorded by Cecilia Bartoli and that's a fun companion to this.

perfect! exactly what I wanted and the cd's came and were all in tact

I use it for my voice lessons and having the CD of accompaniment is extremely useful. :) I would recommend this to anyone studying voice.

A staple for a music teacher!
