Top 10 Cheese Fondue Recipes: Cheese Fondue Ideas, Including Swiss, Cheddar, And Many More!

Synopsis

Are you looking for cheese fondue recipes? Melty, stringy, cheesy fondue . . . some say there is absolutely no better eating experience! The way it seems to stretch endlessly, and the infinite possibilities it offers in the way of ingredients: different cheeses, seasonings, and especially the wide variety of things you can dip in it! But if you've never seen or tasted fondue before, it can certainly be a little intimidating. Honestly, there's nothing to it! Check out Jack Barrett's Top 10 Fondue Recipes cookbook to find out how to make fondue for yourself. From Swiss cheese or cheddar cheese fondues to Mexican fondues, you will learn the fundamental fondue techniques YOU need to make the best fondue your family, neighbors, or customers have ever had. With the right equipment and the right mindset, Jack Barrett makes it easy for you to put your own spin on any fondue recipe. Fondue is also a great way to bring your family and friends together, whether it be an elegant dinner party or a gritty gameday celebration—when you bring the fondue, you bring the party! Let Jack Barrett guide you through the world of fondue in his book, Top 10 Fondue Recipes. It's a universal crowd pleaser, and these recipes and flavor profiles will make your mouth dance. See for yourself—and don't forget to check out Jack Barrett's other Top 10 recipe books!

Customer Reviews

The book gives you simple recipes with layers of flavor that will create a good variety a depth. As a Classical French trained chef, I would recommend this to anybody that is looking for good recipes to do when you entertain, or just have left-over cheese in the fridge. Although, Fondue is very dated, it's a good way to get a little more creative than a bowl of queso dip for a dinner party. Rotel and Velveta don't exactly scream interactive dinner. I don't think I would ever do fondue in my restaurant, or go out for fondue; but it is a good way to feed multiple people for not a whole lot of money, and also get everybody involved in a social dinner/event. Some of the cheese fondues might be a great way to make mac & cheese.

Fondue is one of winter's slightly guilty pleasures at my house. There's nothing better on a snowy Saturday night than a pile of French bread cubes and a pot of fondue in front of a roaring fire (gas logs in our case, but you get the picture). This book contains several new fondue ideas. There's a pizza fondue that sounds delicious, and there are several variations on basic cheese fondues. I'm rating the book four stars because it doesn't have a recipe that approaches the wonderful kirsch flavored classic fondue that should be everyone's introduction to the pleasures of melting cheese. Yes, I'm a fondue snob.

I read it in less than 10 minutes and I liked it because I could choose my very first fondue recipe with the ingredients that I have on hand in my kitchen right now. :) All recipes look easy and I think I'll be able to do them soon. I think it's great for starters in fondue making like me.

Cheese fondue is something I love but something I'd never tried until I downloaded this book. After Top 10 Pizza Recipes answered all of my pizza questions, I anticipated this book would be just as helpful about cheese fondue. I'm very pleased to say I think I can make cheese fondue for damn near anyone now! Once again I am impressed with the Top 10 Recipes series!

Good fondue recipes!

Store bought queso will do the job but if you want to throw a real party this book will get you there. Everything from your traditional fondue to a tequila recipe is included and is sure to impress.

Definitely check this one out and enjoy.

This is such a great way to make food all about socializing. Jack gives you delicious recipes and make them so easy and accessible. Everyone should have this book in their repertoire.

I like the recipes because they were simple enough to whip together, without spending all the time in the kitchen.
