Chanel

Synopsis

When Jean Leymarie's monograph on Coco Chanel was originally published in 1989, he was known primarily as a curator and modern art historian, both in his native France and abroad. Bringing his expertise to bear on one of the most famous (and often controversial) couturiers of all time, Leymarie legitimized fashion as fine art. Completely redesigned by Philippe Apeloig, Leymarie's classic volume is back in print once more. Beginning with a brief history of fashion, Leymarie takes the reader through Chanel's early days, when she mingled with Jean Cocteau, Igor Stravinsky, and Luchino Visconti, through the development of her brand after her death by Karl Lagerfeld. A special essay on Lagerfeld's contribution to the Chanel legacy, written by journalist Marc Lembron, brings this new edition up to date.

Customer Reviews

Joining Rizzoli's recently published studies of two other great 20th-century French couturiers, Paul Poiret and Christian Dior, this volume attempts to place Chanel's achievements within the context of the artistic trends particularly Cubism prominent when she was. The book opens with a survey of fashion history, emphasizing the great portrait artists of Europe a valuable essay in general but not completely germane to the work at hand. The chapters are presented as long captions, without firm conclusions, and are sometimes difficult to follow. Thankfully, the translation from the French is, unlike that of Dior and Poiret, carefully done. All three volumes carry magnificent illustrations. Sally R. Sims, Univ. of Maryland Lib., College Park Copyright 1988 Reed Business Information, Inc. --This

Perfect coffee table book. It seems big and has interesting information about my idol Coco Chanel with beautiful pictures.

Love it thank you

Not only is this book beautifully designed, but it's incredibly informative. I was able to get an expert overview about the Fashion Industry, and then an even more in depth view on the world of Chanel. Each section is beautifully appointed with a wide array of images and inside stories about the brand. Would highly recommend this book to anyone!

Gorgeous!! Worth the price...

Great design book and coffee table accessory!

Yes, love them! is the best!

Fast delivery and brand new. Thanks

Beautiful informative, well presented book!
