Darwin Porter and Danforth Prince are coauthors of a number of bestselling Frommer's guides, notably [England](#), [France](#), [the Caribbean](#), [Italy](#), and [Spain](#), as well as [Frommer's](#)

The Carolinas & Georgia. Porter, a native of North Carolina, was a bureau chief for the Miami Herald at 21 and the author of the first ever Frommer's guide to Germany. He is joined by Prince, who was formerly of the Paris bureau of the New York Times. --This text refers to an out of print or unavailable edition of this title.

I have never been to Savannah.....I would love to go sometime. But, i am so fascinated with this city that I bought maps and books about it. I feel like I had lived there, I can picture everything in my mind. This would make the greatest travel guide if you do decide to go there. You will be in the know about what to see, where things are, what is good to eat, stay at, and much more. It doesn't have a lot of pictures. It is not meant for that. You are suppose to use it as your own virtual travel and tour guide (before and during your trip). You won't have to hear from others after you came home that they went somewhere so fantastic, you could kick yourself for missing out. I know I did once!

The Kindle version of this guidebook is as ugly as mud. While a regular book is expected to have plain text, a travel guide needs photos and color to be of any interest. This version is plain, and I do mean plain, like a homemade pamphlet. The image on the buy page showing the beautiful cover does not apply to the Kindle version. If straight text is what you want, this will be fine. Otherwise, you'll need the print version.

Beware! The Kindle edition has a copyright date of 2005. The print edition is copyrighted 2011. There is a huge difference and the folks who purchase the Kindle edition get old information. Not worth the cost!

I found this book very useful and helpful with my planning of a trip to Savannah in the near future. I enjoyed getting some "heads up" on various locales (and restrictions) having to do with the John Berendt novel "Midnight in the Garden of Good and Evil"...which is of particular interest to me. Also appreciated the price guides for restaurants, and the hotel reviews, which included if the rooms were smoking, restricted smoking, or non-smoking. Will be packing this little book with me when I do go on my "dream trip" to the coast of Georgia!

I thought this book was a very good guide. The maps were very helpful. I am not able to do stairs or slopes and I think they should have mentioned that there is a public elevator next to the Hyatt

downtown that will take you down to River Street. Of course the hotel let me know this, but it would be good information for the guide. I felt the book was quite complete otherwise.

This book on Savannah is very helpful and includes out of the way places and tourist trap areas. It also tells in details about bars and nightlife and what type clientele visits there!

Great product. Exactly as described.

Fine
