Shipping Weight: 6.4 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 23 customer reviews

Best Sellers Rank: #182,130 in Books (See Top 100 in Books) #129 in [Books > Reference > Dictionaries & Thesauruses > English](#) #295 in [Books > Textbooks > Reference > Dictionaries](#) #377 in [Books > Reference > Dictionaries & Thesauruses > Dictionaries](#)

Customer Reviews

I've sought out several pocket-sized dictionaries recently and this one seems to be the best of the bunch. With the other dictionaries, there were more missing words (and some were relatively common too). One thing I liked about this dictionary is that the definitions are simple to understand without any fancy vocabulary; with some other dictionaries, the definition contains words that you need to look up in order to understand. Another nice thing about this dictionary is that there is a small box under certain words (after the definition) which gives further clarification as to its usage (i.e., whether the word could be "offensive" or a common mistake with spelling, etc.). Granted this is a pocket dictionary and will not contain all the vocabulary of a full-sized one, but it still lacked a few words that aren't too uncommon (but as I've said earlier, not as bad as the other brands). And the binding on this dictionary feels a bit shabby. But overall this is still a solid choice among pocket/mini dictionaries and of course the "Oxford" name is renowned in the world of dictionaries.

Oxford Mini is smaller in size. That does not make it worse. See a side-by-side definition: Define

Bluff (Oxford Mini): v. try to make someone believe that you know or will do something. n. 1 an act of bluffing. 2. a steep cliff. adj. frank and direct. Define Bluff (Little Oxford): noun. a pretence that you know or can do something when this is not true. verb. pretend in this way. "call someone's bluff" challenge someone to do something, in the belief that they will not be able to. Bluff 2 adjective. frank and direct in a good-natured way. Conclusion: The Mini has shorter and more efficient definitions. Its smaller size is the result of better definitions and using the least amount of space.

Sturdy and perfectly sized dictionary from the "gold standard" of dictionary publishers. Personally, I'd much rather have the 22 (or so) volume complete unabridged OED, but it's a horror to lift, plus you'd need a small trailer attached to a John Deere tractor to take it with you, thus confirming your status as the neighborhood lunatic.

a lot smaller than I expected, making it fatter as well, but works great. I through it in my backpack and use it for my college classes

Beautiful and perfect

The Dictionary is too small in size and in volume. There were no information/description, no amount of words in dictionary on site.

Very nice dictionary, just the size I was looking for. Can take it with me everywhere I go.

Received in good condition. Super
