Its a great choice for a good read

This book brands itself as illuminating words of Jesus. It is actually a devotion. The author, Countryman, starts his book with a short Introduction. Then he launches into his first verse. It is followed by a page of thoughts about the verse. And he similarly spreads his content across 100 verses. Countryman follows every verse with thoughts about it. These thoughts are meant to challenge the reader to apply the verses to his/her life. This is a small volume. The cover is true to the title and is red in color. Each verse is in red text. Red ridges appear at the top of each page of meditations for the verses. I must say I was disappointed when the book arrived. I had waited for it believing that it would pick chosen verses apart, give details on the historical background of each verse, and then personalize these passages for application. This was because the headline to this book seemed to indicate this. Instead, I discovered that it is simply another devotional. A pretty good devotional. But still a devotional. I had no intention of reviewing another devotional. The theology of this devotional is good as it is solidly based on the Bible. It doesn't make any use of psychology or make any modern comparisons with modern-day people or modern-day issues. Avoided are controversial issues like abortion or same-sex marriage. It's great as a way to get into the Word as it can be hard to do that without guidance. But the shortness of the devotions gives the silent message that unresolved personal issues and spiritual needs can be resolved by simply looking to God. I recommend this book for Christians. Especially I recommend it for those who don't like to read or have little free time. It may help ground new believers in the Christian faith. The volume may not be enough for more seasoned Christians who hunger more theology and actual historical context to each chosen verse. And it does not yield its meaning to those who don't identify as believers in Jesus. I have received a complimentary copy of this book through BOOKLOOKBLOGGERS in exchange for my honest review of this book. I was not required to give a positive review of this book.

The Red Letter Words of Jesus by Jack Countryman is such a wonderful Bible companion that shares various quotes of Jesus from the Holy Bible. Believers in Jesus Christ and readers who are particularly fascinated by the words of Jesus will thoroughly enjoy this book. The first thing I must say about this book is that it is so beautifully designed. As a fan of hardcover books, I adore this imitation leather hardcover beauty. Plus, the words of Jesus that are quoted throughout the book are each uniquely illustrated and presented. As wonderful as this book is, I will be the first to admit that it is not perfect. It does not contain a table of contents. Nor are all of the words of Jesus

included within the book. Without a table of contents, some readers may find it challenging to quickly navigate to a particular Scripture, especially if they do not already know the verse. Thankfully, each of the passages of Scripture are presented in order, based on the books of the Bible they are located in. Even though this book may not be "easy" to navigate, that should not deter lovers of God's Word from reading this book. It is so rich with Christly wisdom and edifying insights from Jack too. This book can be read as a daily devotional or as a handy companion when reading and studying God's Word. I truly believe that this book is a worthy addition to any book collection. It's one that I am sure I'll be reading for years to come. This book is a very compact resource that provides "easy" access to godly wisdom. For that reason alone I truly believe that it is a MUST READ! I received this book free from the publisher through their book review bloggers program and I was not required to write a positive review.

THE RED LETTER WORDS OF JESUS By Jack Countryman
Most Bibles published today have the words of Jesus printed in red. The red color is used to represent Jesus's blood that was shed for us. In this book Jack Countryman compiles over 100 of those red-letter passages into a book that can be used like a devotional. The red-letter words are words spoken by Jesus and are important in our relationship with Christ. Jack gives an explanation and background facts about each chosen passage. The red-letter words teach us how to live, Jesus's relationship with God and the Holy Spirit. They also reveal His love for us. As an enhancement, an illustration has been added to each page that shows the red-letter words. In my opinion, this makes them more like a plaque you would want to hang on your wall, the illustration adds to the beautiful words. The book is very easy to read and understand, a great addition to anyone's library. I would recommend using this book as a devotional, Bible study help and as a discussion group topic and study. I received this book free from the publisher through the BookLook Bloggers book review bloggers program. I was not required to write a positive review. The opinions I have expressed are my own. The Red Letter words of Jesus was a fantastic read with 217 pages of delight. Each area is a total of two pages, one that is graphics as you can see, the other page is the scripture but written in a way that you can truly understand. My daughters enjoyed me reading this to them every night, they also had question about some of the scriptures and honestly we learned together about god's words. This is one book I am happy that I had the chance to review because it is written in a way

that my two daughters and I could understand.

Overall, this would be a great book for a baptism, deacon appointment or church leader. It does have a masculine feel, but would be good for any adult.

Encouraging and insightful...a really wonderful book!
