# The Ancient Magus' Bride Vol. 2

## Synopsis

Great power comes at a price—Chise Hatori's life has recently undergone shocking change. As a sleigh beggar—a person capable of generating and wielding tremendous magical power—she has transformed from an unwanted child to a magician's apprentice who has been introduced to fae royalty. But Chise's newly discovered abilities also mean a cruel fate awaits her.

Average Customer Review: 4.7 out of 5 stars 44 customer reviews

Best Sellers Rank: #26,337 in Books (See Top 100 in Books) #35 in Books > Comics & Graphic Novels > Manga > Romance #93 in Books > Comics & Graphic Novels > Manga > Fantasy #3418 in Books > Teens

## Customer Reviews

Kore Yamazaki is best known as the author and artist of The Ancient Magus' Bride.

Kore Yamazaki's artwork is simple but elegant, the inhuman designs of well-known figures such as Spriggan and Oberon being the highlights of the volume for me. There's definitely a mystical quality to the backgrounds that communicate clearly the influence of magic and fae in the story. Yamazaki clearly shows a lot of patience in getting all the small details down, which reflects perfectly the pacing of the story: patient. It's clear there's a lot more of this magic in the future, whether it's more details on Chise's "condition," Elias' background, the practice of magic itself, or the in-depth mythology Ancient Magus' Bride draws inspiration from. I'd say the series is a bit of a slow boil, but as the old axiom says, good things come to those who wait.

I've read it before and it's a great story. Slow pace but there's so much depth into it. I give 5 star for

the story but 3 for the shipping. primarily cause the book got damaged and considering these are still new releases there's no protective cover over them at all.

This addition gives us some more good story and some interesting character growth, as well as some interesting new characters and new supernatural creatures to learn about. The world is very engaging the artwork is nice and the characters are very interesting.

Some of the imagery in this volume really took my breath away. The art style is really showing itself here and the plot moves along quicker as well. There were some bits that made me smile and laugh and others that made me "aww" almost out loud. The characters are being developed in interesting ways. Elias is still a mystery but I'm beginning to get the sense that he's more around Chise's age in Fae logic which makes the whole bride thing make more sense. I really enjoyed the lore in the last 2 books as well. Just. There are so many interesting dynamics at play here and it's such a deep, rich world. I'm trying to savor the third book but I'll definately be pre-ordering the next books to come out!!!

Story Great 5 stars actually, however, shipping was awful, my copy came damaged with a big crease in the back cover!

LOVE THIS SERIES

Thank You love it

Only reason the review isn't a 5 is because my copy came in with a bad debt/rip on the front :(
