"Defining each of the three topics in the title, Klemp then explores them in a way that will change the reader's view of these subjects--and life in general--forever. An excellent resource to enliven readers looking for more meaning and purpose in their lives."--Gerald Jampolsky, M.D., author of [Love is Letting Go of Fear](#) "Soul triumphs over death. "Soul enters this world to pursue a series of tasks, for each is an exercise in spiritual purification. Taken as a whole, these assignments make up one's destiny. "Each lifetime teaches at least one lesson and often dozens."These are

some of the statements in 'Past Lives, Dreams and Soul Travel' by Harold Klemp that challenged the way I think."--Jean Peerenboom, Green Bay Press-Gazette, Sunday, January 9, 2005

Author Harold Klemp is known as a pioneer of today's focus on "everyday spirituality." He was raised on a Wisconsin farm and attended divinity school. He also served in the US Air Force. In 1981, after years of training, he became the spiritual leader of Eckankar, Religion of the Light and Sound of God. His full title is Sri Harold Klemp, the Mahanta, the Living ECK Master. His mission is to help people find their way back to God in this life. Each year, Harold Klemp speaks to thousands of seekers at Eckankar seminars. Author of more than one hundred books, he continues to write, including many articles and spiritual-study discourses. His books have been translated into more than 18 languages. His inspiring and practical approach to spirituality helps many thousands of people worldwide find greater freedom, wisdom, and love in their lives. (Eckankar.org)

What happens at death (when people "pass on")? Is there just one life for everybody that ends in heaven or hell? Or does karma and reincarnation play a role in our education? Who or what am I? Why am I here? What is my purpose or mission in life? Why are some people born rich and others born poor? . . . Smart or dull? . . . Healthy or disabled? How come some young children tap into past lives, but parents tell them it's just their imagination, so they forget when they get older? Why do bad things happen to good people? If there is a loving God, how come there is so much fighting, manipulating, and suffering in this world? These were some of my questions. I searched for answers in books, classes, and workshops on theology, new-age, the Christian bible, metaphysics, spirituality, psychology, and eastern religions. Each helped along the way, but Past Lives, Dreams, and Soul Travel pulled it all together for me. It is a treasure chest of techniques, tips, stories of real-life experiences, and easy spiritual exercises (such as singing HU), so readers can access their Inner Guidance to get answers to their own questions about why their life is as it is and how they can make it better. For me, this book explains the spiritual purpose of karma and reincarnation, designed because the Creator loves each and all as eternal Soul. Dream study and Soul Travel techniques can reveal insights from a higher spiritual perspective (including past lives) that help to resolve current-life problems, overcome fears, and make better decisions that lead to a more creative, effective, meaningful, and happy life here and now.

wonderful, enlightening and mind boggling!

Answers to so many of life's questions and explanations for why things happen. Helped me to understand life, my role in it, and how to move forward in a positive direction to unfoldment.

This is a wonderful book and will help anyone who has an interest in studying their dreams, looking into how their past lives have an effect on this current one and how to work with that, and learning how to soul travel at will. Harold Klemp is a gentle teacher and guide and your spiritual life will never be the same after you read this,.

When my daughter Alexis died at the age of 29, I read everything I could to try to understand where she was, what it looked like, and whether she was happy. I wanted to believe that in some way, she was still with me. The stories in this book helped me to find perspective. Margaret Marshall Rhyne, *Remembering Alexis, Finding Perspective in Love and Loss*

Had the book, now I have it on my Kindle. Good source for anyone interested in learning how to use contemplation and dreams to solve problems, get out of your body, and grow spiritually.

I loved this book. It's a comprehensive, truthful, spiritual work with stories about and told by regular folks experiencing extraordinary and moving experiences. As a reader you won't be the same after you put it down, I guarantee that. The spiritual message here is positive and uplifting. I wish there were more books like that out there.

member of ECKANKAR, and I found it very helpful in my spiritual life. I feel sure that nonEckists would find a lot to help them.
