Age Range: 4 - 8 years

Grade Level: Preschool - 3

## Customer Reviews

The reviews I read about this were accurate; it is more for older kids and even adults. I had hoped my little guys (3 and 2) could relate to it, but they are actually too little to get the humor of Winnie the Pooh and wouldn't have the patience to listen to all of the English voices (which are excellent) on the CD. I'll hold onto it for some time later.

I have actually bought this Twice because I enjoyed it so much (and lost my first copy in a hard-drive crash). This is an excellent audio cast including Judi Dench, Stephen Fry, and with Geoffry Palmer as Eeyore. I used to work 80 hour weeks, and on some of those 12hr+ days, I'd pop this into the car on the drive home and be totally relaxed by the time I got home. Obviously it's great

for kids, but it's fun for adults, too!

When you can get 4 adults to sit around the table and listen to a group of people read "The House at Pooh Corner," you know you have hit on something deliciously British and good. The characters of A. A. Milne's original (not Disney-fied) stories of Pooh, Piglet, Owl, Eeyore and Christopher Robin jump from the CD player, and suddenly you are at Pooh Corner with them. I must add that the reader who portrayed Tigger could have done better. Her growl was irritating, and was our least favorite part of all. Nevertheless, it is a delightful audio book, and should be enjoyed by children and adults alike.

This is a very entertaining and well-done reading, like the other audio book (Winnie-the-Pooh (Hodder Children's Audio)). Our four-year old loves it and we enjoy it, too. Each time we hear it, again, and again, and again, and again....

Great voices!

These stories are charmingly read by an all-star cast.

Excellent purchase for my almost 4 year old. He is captivated by the stories and asks for this to be played often in the car. The narration is very good, as is the content of the stories. Sometimes your child may miss the humor, but overall very enjoyable and good for language skills as well.

My 5 year old son loves to listen to this at his rest time or in the car. He is not the only one who LOVES these. They are a win even with my 11 year old son who laughs at the parts that the five year does not catch. Very well done, more than one actor/voice.
