Customer Reviews

P. D. EASTMAN was one of the stars of the Beginner Books line. He wrote and illustrated such classics as *Are You My Mother?*; *Go, Dog. Go!*; *The Best Nest* and many more!

I ordered this for my son's second birthday party. The tree poster and stickers are useful. For the price, I assumed the party hats and cups would be on stronger paper and able to be punched out, rather than on regular paper and need a whole lot of cutting. This would be better priced at \$10.

Perfect for my sons themed party. I was having a very difficult time finding things to use. If you are having a *Go, Dog, Go* party, this is WELL worth the buy.

Delighted my grandson who is a big lover of the *Go Dog Go* book. We used it for his 2nd birthday

party.

not what I expected

We were disappointed with this book. It had very little of interest in it other than some stickers. The book made very little reference to the original story and the game was very elementary. The description was not clear that the story was not a part of the book. We had to buy the actual book in order for any of the items in this "book" to make sense. It was a waste of money.

My daughter loved the board book and this was a cute way to make the book come alive. The book is about going to a dog party, so this sticker book has party hats, child name place holders, a game, and stickers to decorate the dog party poster.
