Best buy!

MOON BALTIMORE is a great book focusing on Baltimore, Maryland's largest city, and its surrounding areas. Many people see the Charm City as Washington, D.C.'s poor second cousin, but that's a fallacy, as Baltimore has plenty of great things of its own to interest people. This is the most up-to-date book on Baltimore currently available, so buy the Kindle version, as I have, and then get the hard copy, as I plan to for the holidays.
