## Synopsis

**A Lord Who Loathes London:**Years ago, after having his heart and soul destroyed, Lord Damian Peterboro turned his back on society and left for parts unknown. Now, heâ™s returned, the rudest, most scandalous, most shocking man to come out of the wilds. An avid adventurer, determined to preserve the antiquities of the old worlds, Damian needs funds badly. What better way to get them than to marry? But when he meets Lady Andromeda, he cannot deny that she is the most intelligent woman heâ™s met in London who makes his blood sing with desire. But can he chance his heart again to love or will he disappear as he did once before?**A Lady Who Will Not Wed:**Marriage almost broke Lady Andromeda, sister to the Duke of Clyde. A wealthy widow, she has every intention of enjoying her position as one of the tonâ™s most glittering hostesses. But when Lord Peterboro crashes one of her salons she is both shocked and absolutely drawn to the wild and scandalous man. With each day that passes, she finds that he understands her as no one ever has. Yet, can she trust him with her tragic secret? Or will she cast away her only chance at love.

## Customer Reviews

The synopsis pretty much sets the scene. Damien needs money to continue his study of ancient artifacts in Egypt. He is immediately drawn to Andromeda, and not just for her wealth. She is drawn to Damien as well, but resists marriage. You couldn't help but root for these two to get a happy ending. Another excellent romance by Eva Devon!

Disappointing, and really very boring. Which is too bad because I really like the other books in the series.

Rogues Like it Scotby Eva Devon Rating 5 Stars Heat

4.5 Anticipation blossomed in her eyes as he took his time. Then, as if discovering the gateway to the greatest secret one could ever know, he kissed her. Their lips touched and he could not stop the awe he felt taking over him. Kiss for kiss, breath for breath, he learned the curve of her lips, the softness of her tongue, the way she tilted her head to meet him. With each caress, he grew drunk on her. For he was heady with discovery. Discovery of her. Lordy what a kiss! Damian Peterborough is a wild man who doesn't stand on ceremony-he's brass outspoken and bold and an absolutely magnificent male specimen and has returned from his travels even more scandalous. Refusing to bow to polite society, in need of funds he must put up with their shallowness. Until he meets an unconventional woman and he's utterly captivated. Lady Andromeda has been through hell and back, married to a man who mentally abused her she strives to leave the past -buried with her dead husband. Her passion is hosting soirees with interesting and intellectual speakers. She meets Damian when he ruins one such gathering and she's totally drawn to his wildness. Befriending him is easy but the friendship soon turns to something more- can she risk her heart or will she let happiness slip away? I loved Damian and Andromeda both were free spirits that had suffered tragedy. Damian is a blunt and straightforward man but harbours a soft heart, and very passionate in his beliefs. When it came to Andromeda she was fast becoming a fire in his blood. Andromeda is a survivor her marriage left her with a bitter taste a horrible experience not worth repeating. Damian has her confused, every time she's near him the air crackles and it's only a matter of time before these two get together. I loved the way they both conquered their hurts and realized that they're stronger together. A wonderful story well written and full of emotions. The witty banter keeps you entertained and the flow of the story is smooth. The fear of letting go and accepting happiness healed and liberated them to experience true LOVE! Eva Devon keeps the the romance alive with her stories she's an amazing storyteller! I received a complimentary copy from the author for my honest unbiased opinion

Lady Andromeda, daughter of a Duke, sister of the present Duke, unhappily married, happy widow! Now, she may hold her famous Salons, have any famous person that interest her to speak, and enjoy herself. On the night Lady Andromeda has gathered the creme of Society to hear the great man speak, she is appalled by his obnoxious speech, towards the very people that he has written so eloquently about, not to mention the money, and fame this has brought him. As she is about to get up and stop his talk, in walks, uninvited, the tallest, most handsome , most incredibly muscular man, that she has ever laid eyes on! Who is this veritable Adonis, this Avenger of Injustice, this man who is about to punch the lights out of her famous guest speaker? It is the long list Lord Damian , brother to the Duke of Peterborough! He, the second son, has been gone for years, first in the Military, then becoming a famous explorer, all over the world, it is even said that he had married an Indian wife, not long after moving to India! Andromeda wanted a unique salon, however, this was too unique even for her! What a great book, this is only the first few pages, you must read today! I am looking forward to the Scottish Duke's story, her brother! I highly recommend! Thanks! Enjoy!carolintallahassee ã Â Â'Â'

Eva Devon is masterful in this deep, thoughtful story. I normally would say that this is a delightful read, but delight wasn't found here. It was heartbreaking and sad at times. This is a story of two people who are perfectly matched if only they can allow the other to help them heal from their painful pasts. This title is somewhat deceiving. It sounds like this will be a light romantic romp where the lovable rogue meets his match and finds that marriage is worth giving up his roguish ways. Instead, we meet two people whose painful pasts have made them wary of future relationships. These two characters are intelligent and strong but keep their emotions reigned in. Trust and true friendships are held-back. There is no coy, ballroom flirting, no stolen kisses behind a column, no silly misunderstandings keeping the two apart. Both Andromeda and Damian have such painful pasts, they can't go forward until they are able to overcome their individual fears from their past. In each other, they are able to not only confront their fears but help the other heal and overcome them. This couple is one who truly deserves their Happily Ever After.
