U.S. Citizenship For Dummies

Synopsis

The decision to become a United States citizen is one of the most important choices you can ever make. Before you can become a U.S. citizen, however, you first must be a lawful permanent resident of the U.S. For this reason, before you begin the process, you need to know what you want to achieve – legal immigration or naturalization – and if you can expect to qualify for it. *U.S. Citizenship For Dummies* will help you get through this often confusing process, from determining how best to qualify to live permanently in the United States to gaining a green card and then citizenship. This reference guide is for anyone who

- Is interested in living permanently in the U.S.
- Is a friend or relative of someone who wishes to live permanently in the U.S.
- Wants to become a naturalized citizen
- Has no legal background or any familiarity with U.S. immigration

This book helps you discover the important requirements you need to meet and offers tips and insights into dealing with the Bureau of Citizenship and Immigration Services (BCIS). You also get to know other government agencies that you’ll work with while attempting to immigrate to the U.S. or become a citizen. *U.S. Citizenship For Dummies* covers the following topics and more:

- Clear information on the immigration process
- Up-to-date information on various application forms
- The rights of legal aliens
- Recent changes in immigration laws
- Review of English and Civics tests
- Pointers on the interview process
- Survey of U.S. history, government, and culture
- Coverage on visas and green cards
- Troubleshooting immigration problems
- Becoming a U.S. citizen carries important duties and responsibilities as well as rights, rewards, and privileges. Before you make the decision to pursue U.S. citizenship, you need to be aware of what you stand to lose and what you stand to gain; you also need to be sure you’re ready to fulfill all the obligations of a good citizen. *U.S. Citizenship For Dummies* will help you understand all that it means to become a citizen of the United States of America.

You'll review for the English and civics tests, prepare for the interview process, navigate visas and green cards, and find out about U.S. history and government. The Dummies Way Explanations in plain English "Get in, get out" information Icons and other navigational aids Tear-out cheat sheet Top ten lists A dash of humor and fun

Steven D. Heller has solid experience with immigration law and currently serves as an immigration attorney. Cheri Sicard is an accomplished food and travel writer whose articles have appeared in The Boston Herald and Canoe and Kayak magazine, among others.

Great book. It has a lot of information about the US in various topics (geography, history, politics, general culture, etc). I think they give you a lot more info than you need to pass the citizenship exam, and I like that as well because I was looking for a book to help me learn about the culture and therefor "fit into" the community. Even though it has a lot of data, it's written in a very easy way so that everyone can understand everything on the book. I recommend it. Es un excelente libro. Tiene mucha informaci3n sobre EEUU en variedad de temas (geograf3a, historia, pol3tica, cultura general, etc). Pienso que te da mucha informaci3n de la que necesitas para pasar el examen de naturalizaci3n, y eso tambi3n me gusta porque estaba buscando un libro para ayudarme a aprender sobre la cultura y por consiguiente a "integrarme" mejor en la comunidad. A pesar de que tiene mucha informaci3n, esta bien escrito, en forma sencilla para que todos podamos entender todo lo que esta escrito en el libro. Lo recomiendo.

To help someone in the USA on a greencard, I had hoped for more on what immigrants should know about the USA to pass the test--for example, nothing is included about the Coast Guard. A

good portion of the book is very practical advice for immigrants re How To. If that is the goal more than understanding US government, history, and cultural assumptions--then this is a better than 3-star book. As a native born citizen, I cannot really attest the the quality of the information.

wife passed exam

Very useful

This book is very good and very agreeable to read and learn the topics. Simple plain English and fun to read. Took one star out because the edition I received is 3 years old. Nonetheless, a very good book. Just passed the Citizenship interview and test, and frankly I think I would have succeeded with only the flash cards I downloaded from the USCIS site. But then again, maybe I was simply lucky and got an easy test :)

I've tried a couple of different books and apps and find this one very easy to use, lets hope it's successful :)

Help me a lot

Very good product! Complete, clear, honest, pleasurable and rich. Really a good choice for all of your citizenship needs!
