Customer Reviews

Leonard Stern and Roger Price were two of the founders of Price Stern Sloan.

I bought this for my 10 yr old new hew to go with his wrestler we bought him for Christmas. He loves it! We did a few mad libs at Christmas, some requiring role n playing and the whole family got involved! Great price too.

This was a gift for a WWE lover! He is 12 years old and I thought it would be fun and educational at the same time. His mom said that he really liked it so I'm very happy with my purchase! It arrived very quickly - using prime. And it was packed great.

Yes, it can be difficult to find educational products for the wrestling fan in your life. My son, being a total wrestling freak forever (his first word was "Okono"...umm, yeah that meant Hulk Hogan for about a year or so). He is now married and his wife has to put up with his obsession (and ever

growing collection of wrestling stuff). I got this for a stocking stuffer because my son has always loved reading and has a thing for words, definitions and parts of speech. He has loved Mad Libs and wrestling as long as he has been old enough to indulge in them so I think this is the thing that he will get the most use out of this year. He will undoubtedly annoy everyone around him (especially his ever-patient wife) by begging them to name an adjective or a noun, but he will have a great time doing it and it will provide hours of entertainment for him and his sports loving neighbor. BTW, if you have a child who is a wrestling fan and you want to help them with reading or grammar, this is the thing to get.

My 8 year old loves loves loves this. I used them as a child myself and i bought it for him and he finished it within 2 days!

I bought this for a road trip to keep my 10 and 12 year old WWE fans occupied. It's inexpensive and ships very quickly. This guarantees laughs!

I've had a few mad libs and this one has been the funniest.

Thanks for quick shipping; grandson loved it!

My 7 year old had a blast doing these..
