Mary Ellen Mark: Tiny, Streetwise Revisited

Synopsis

In 1988, Mary Ellen Mark published a poignant document of a fiercely independent group of homeless and troubled youth living in Seattle as pimps, prostitutes, panhandlers and small-time drug dealers. Critically acclaimed, "Streetwise" introduced us to individuals who were not easily forgotten, including "Tiny" (Erin Blackwell)--a 13-year-old prostitute with dreams of a horse farm, diamonds and furs, and a baby of her own. Since meeting Tiny 30 years ago, Mark has continued to photograph her, creating what has become one of Mark's most significant and long-term projects. Now 43, Tiny has ten children and her life has unfolded in unexpected ways, which together speak to issues of poverty, class, race and addiction. This significantly expanded iteration of the classic monograph presents the iconic work of the first edition along with Mark's moving and intimate body of work on Tiny, most of which is previously unpublished. Texts and captions are drawn from conversations between Tiny and Mary Ellen Mark as well as Mark's husband, the filmmaker Martin Bell, who made the landmark film, "Streetwise." "Tiny, Streetwise Revisited" provides a powerful education about one of the more complex sides of American life, as well as insight into the unique relationship sustained between artist and subject for over 30 years. Mary Ellen Mark (1940-2015) was a legendary American photographer known for her photojournalism and portraiture. Her work has been widely published and is included in public collections around the world. In 2014, Mark received the George Eastman House Lifetime Achievement in Photography Award.

Its incredible scope represents the dedication of a photographer whose work is imbued with a palpable compassion, and the generosity of a subject willing to unclasp the realities of life on the margins of society. “CNNMark’s black-and-white updated images of her subjects, accompanied by their words, are a testament to an enduring trust and empathy. “The Boston GlobeHer half-century of documentary work and portraiture made Mark, who died in May at age 75, one of the most important photographers of her era. “Los Angeles Times It is one of the most striking and moving of this season’s photography books. “Los Angeles TimesMark’s empathy and compassion toward her subjects make her work exceptionally evocative and powerful. These works provide an opportunity to re-examine the lives of those around us, the hardships and inner worlds hidden to the superficial eye, which Mark’s lens and spirit allowed her to capture. “Hyperallergic

Renowned photographer Mary Ellen Mark’s numerous honors and awards included a Fulbright Scholarship, Guggenheim Fellowship, Cornell Capa Award, and the 2014 Lifetime Achievement in Photography Award from George Eastman House. During her lifetime, her photo essays and portraits were exhibited worldwide and appeared in numerous publications, including Life, the New York Times Magazine, and the New Yorker. Her photo essay on runaway children in Seattle became the basis of the Academy Award-nominated film *Streetwise*, directed and photographed by her husband Martin Bell, and was published in book form in 1988. Mark published twenty-one books, including *American Odyssey* (Aperture, 1999), *Twins* (Aperture, 2003), *Exposure* (2005), *Seen Behind the Scene* (2009), *Prom* (2012), and *Tiny: Streetwise Revisited* (Aperture, 2015). In addition to producing her own work, Mark taught photography workshops for nearly thirty years; her thoughts on teaching are captured in one of her final titles, *Mary Ellen Mark on the Portrait and the Moment* (Aperture’s Photography Workshop Series, 2015). Chilean author Isabel Allende’s (text) bestselling first novel *The House of the Spirits* (1982) established her as a feminist force in Latin America’s male-dominated literary world. She has since written nearly twenty more works, including *Of Love and Shadows* (1987) and *City of the Beasts* (2012). Her most recent is *Ripper* (2014). John Irving was born in Exeter, New Hampshire. His first novel, *Setting Free the Bears*, was published in 1968, when he was twenty-six. He competed as a wrestler for twenty years, and coached wrestling until he was forty-seven. Mr. Irving has been nominated for a National Book Award three times--winning once, in 1980, for his novel *The World According to Garp*. He received an O. Henry Award in 1981 for his short story *Interior Space*. In 2000, Mr. Irving won the Oscar for Best Adapted Screenplay for *The Cider House Rules*. In 2013, he won a Lambda Literary Award for his novel *In One Person*. An international writer--his novels have been translated into more

than thirty-five languages--John Irving lives in Toronto. His all-time bestselling novel, in every language, is "A Prayer for Owen Meany".

Occasionally photographs make an indelible impression. One of the unforgettable photographs of my experience -- from years ago -- was Mary Ellen Mark's picture of a young, thin girl, dressed up in black sleeveless dress, black gloves, and black hat and veil, with a challenging, steely gaze that did not entirely mask her vulnerability. But I never knew the back-story. She was barely fourteen, a girl of the streets of Seattle, a prostitute. Her name was Erin, but everyone called her Tiny. She was a prominent figure in Mark's 1988 book of photographs "Streetwise" and her husband Martin Bell's documentary movie of the same name, both about a group of Seattle street kids in 1983. Mark struck up a friendship with Tiny and visited her periodically over the years, each time taking more photographs of Tiny and her world. Thus, Mark chronicled Tiny's life as she went through drug addictions and, in a span of twenty-two years, had ten children by four or so different men. Over time her body ballooned so that she was Tiny in nickname only. That photographic chronicle is presented in TINY: STREETWISE REVISITED, which contains some of the 1983 pictures of Tiny and the Seattle street kids as well as photographs of Tiny and her family over the following years. It is a less than glamorous "Life in America". The book reprints John Irving's Introduction to the original "Streetwise". In it he asked, "At a time when so many of the self-righteous are crusading for the rights of the unborn, who is paying attention to the born?" That is still a highly relevant question. As further evidence that it is a complex issue, here is Tiny's take on abortion: "I'm Catholic. Um, no I don't actively practice the religion, no, but I do believe in some of the things that they believe in like the abortions that I don't think should be."

I'm not quite sure what I expected, but I put this down feeling unfulfilled. If you are a Mary Ellen Mark fan and you like this tragic story, then go for it.

My copy of Streetwise Revisited arrived today. I waited for a quiet moment to spend time with it. I'm glad I took my time. This is Mary Ellen Mark's last book, finished just before her death. It's a fitting tribute to her remarkable career as a photographer. This book is a shining example of the best that photography can be and shows brilliantly what a master of the medium Mark was. It also shows clearly what a kind, loving, caring woman Mary Ellen Mark was. You should buy this book. It should be in every photographer's library.

So the positives would be that these photos beautifully depict a story.....one that is less than perfect. I enjoyed the years of photographs. I was slightly disappointed though because I believed that it was going to be a book first and foremost.....it is not, by any means. So keep in mind if you are looking for a coffee table photography book that is a conversation starter about a very deep subject....this would be it. If you're looking for a detailed follow up of the lives of the children from Streetwise, you won't find it between these pages.

Awesome book, sad story...this is reality. We need to do more to help the street kids...they don't have much of a chance for a normal life. It's unfortunate there are human predators in society to take advantage of the street kids and victimize them. They are survivors, though and use their wits to survive.

Great

Absolute must. Incredible work. as usual, but still, so beautiful and important work

An excellent book from excellent . I hope to find more books like this one.
