## Customer Reviews

My nieces are being baptized this Sunday and I needed a present for them. I went to the local Christian book store with my son to find a present. He was getting a little fussy, so I grabbed 2 of the "Precious Moments Storybook Bible" books since they looked cute and there was a front page to personalize the book (who it is to, who it is from, what occasion, date). It wasn't till I got home and wanted to personalize them that I really looked through the book. It is so precious!- After Personalization page there is a Family Tree section where you list Grandparents, Parent's and

brothers and sisters.- Then there is a Church Record section with "Special Ceremonies" (baptism, dedication, firm communion, etc...) "Church & Sunday Schools Attended", "Vacation Bible Schools", "Church Camps", "Church Outings".- After the Church Record section there is a "My Favorite Things" page. The contents of the book include "Favorite Bible Classics", "Words of Praise and Wisdom", "More Stories of the Faith" and then "Songs and Prayers". At the very end of the book there is a place for a "Prayer from Someone Who Loves you" where I wrote a special prayer for my nieces. And then a place where the child can write their own prayer. This book was just so neat, and could be made personal that I just bought one for my son. I hope it is something he will treasure as he grows up. I will definitely buy this in the future for a Baptism gift.

Beautiful children's book. Excellent to gift as there is space for a dedication and even a page where you can write a prayer for the child.

Precious Moments Storybook Bible, for which I paid \$7.98, is awesome. It begins with a page for child's name, followed by an introduction titled "Children of Promise," that discusses the one thing we really want for our children is for them to fulfill their God-given destiny and how God wants to give them the very best that He has - and that best is God Himself. The stories are illustrated and told in such a way that is very interesting from the very small to the very tall, educating them with God's Word. It also includes a Family Tree Outline for your child recipient. And the Storybook is sectioned off by color-code: Favorite Bible Classics (like Creation, The Garden of Eden, Noah and The Ark, Joseph Sold Into Slavery, Jesus Visits The Temple, Jesus Feeds the 5000 and Walks On Water) Words of Praise and Wisdom (Psalms and Proverbs) More Stories of the Faith (Joshua, Daniel in the Lions' Den, Jonah Runs from God, Jesus' Birth and the Wise Men's Visit, The Light of the World, The Story About Planting Seed) Songs and Prayers (lyrics to songs and prayers to learn and recite...and even a place for you to write your very own prayer at the end). An excellent read, really, for any age. I purchased several for my grandchildren, ages 1 - 9, and I am going to enjoy reading, discussing, and learning with them. Seller is johnny-on-the-spot with prompt shipping. Book is NEW as indicated! Thank you, Seller, and .

Adorable! This item was everything I hoped for! Similar and even better than the one I received as a child and was a great gift for my Goddaughter!

I really enjoy this book and my six month old seems to enjoy it. It's not as colorful as some modern

day books but precious moments is more pastel colors anyways. Overall a great book to start early with biblical readings! One thing I love about precious moments is its fun to collect the items overtime because the products always stay popular as generations change.

This makes for a perfect gift either for baptism or first communion. The letters are big enough; the illustrations are eye-catching, and the stories are written in a way kids can understand.

it's big and colorful so cute I got this as a baby shower gift for my new nephew .. It is a little girly I did not intend on that but it's so cute I think it'll be fine

Gave it to my granddaughter for 1st communion. She liked the stories and could read most herself. I think it was a great choice for her
