Kodama Naoko is a Japanese manga creator best known for NTR - Netsuzou Trap.

After the break up with her boyfriend, and being photoed by Hotaru's boyfriend, Yuma's life is spiraling out of control. But she does not have long to think as their third year is starting and she is in the same class as Takeda and Hotaru. But Hotaru, is acting even more strangely, avoiding her and not even talking as much. Does she have a secret that even Yuma cannot understand, or will things boil over and explode, exposing all the secrets that they are hiding? This is the beginning of the end, as Yuma tries to figure out not only her future, but also her feelings. Also there are

reminders why we want Fujiwara to get his comeuppance. But however it ends, I will say I cannot wait until February for the final issue (though I hope the anime covers it).

The third volume of NTR Netsuzou Trap is very good with twists and turns as Yuma tries to figure out what motivates Hotaru and thinking about how her best friend is changing. Hotaru's grades are slipping, she's dating a guy who's a first magnitude jerk and Yuma learns that Hotaru has a job, the sort of which would not get parental approval. Yuma figures she's going to have to do what she's done since they were young girls and find a way to protect Hotaru. The problem is that she's up against more than playground bullies now. This volume captures the anguish of being the friend of someone who is making terrible choices and not knowing what to do. I think there is good contrast between Yuma, a good person but very uncertain how to deal with the issues in her life and Hotaru, who fancies that she knows what she's doing but whose self-confidence blinds her to the dangers she's walking into and the pain that she causes. It will be very interesting to see how all this works out.
