British Virgin Islands Alive Guide

Synopsis

Here is the best guide to these sparsely populated islands. Largely untouched by tourism, they have few high-rise hotels, no time-share condos and no casinos. What they do have is unparalleled beauty, with small picturesque hotels set on beachfronts, in ancient fortresses, in the ruins of sugar mills and on lush mountainsides. Among the other islands are Tortola, Anegada, Jost Van Dyke and Beef. The sailing here cannot be beaten and boats gather in the pristine waters year-round. Diving enthusiasts can visit ghost ships, pinnacles and underwater caves.

Great book, loads of info. Just keep in mind that the Virgin Islands have gone through and continue to go through numerous changes. Some places change hands often, while others stay on forever.
