## Customer Reviews

Tom Ogg was the founder of CruiseReviews.com and PortReviews.com and has been on hundreds of cruises the world over. Training cruise professionals onboard cruise ships kept Tom busy in ports exploring for the unique and interesting. While many of Tom's port reviews are still featured on Port Reviews.com Tom found that many cruisers really enjoyed his "On Your Own" reviews, as they didn't want to be stuck buying shore excursions to explore a new port. Tom founded Cruise Port Guides to share the wonderful experience of visiting cruise ports on your own to see more, spend less and have more fun.
