# Norseman's Revenge (The Norsemen Sagas Book 1)

## Synopsis

Kidnapped by a Viking raider on her wedding night might turn out to be a blessing from the gods. Geira Sorensdotter awaits her new husband, but she's filled with doubts about the man and the marriage. Those doubts are forgotten when the village is attacked, her husband is struck down and she is tied up and carried off amidst the raid. Kori Thorfinnson has waited years to take revenge against the man who murdered his wife. But he soon finds the innocent young woman he's taken as his personal slave is not his enemy, despite her marriage to his foe. Her courage in defying him, her caring heart, and the fiery passion she shares stirs feelings Kori hasn't known since his wife died. Afraid to lose Geira, he binds her to him in many ways – not only with rope, but with his body, his collar and his mark. Geira quickly learns just how despicable her husband was, and despite her difficult circumstances, grows to care deeply for Kori, her captor. Still, dreams of freedom linger. But once she finds herself with child, she must plan her escape, to save herself and her baby. However, Kori has plans of his own.

## Customer Reviews

I typically read murder mysteries and needed a break from that genre. I thoroughly enjoyed the romance, story line and characters. I found myself reading through this novel very quickly. The historical research of the time period is evident and added to the interest of this reader. At the end, I wanted more - so looking forward to the next Norseman Saga that I'm saving for vacation. Will definitely be checking out the rest of the work from this author whose content is unique and creative.

I felt as though this was mostly an erotic novel and the plot was secondary. While I liked the characters and I found the story entertaining, I never got emotionally involved in their lives. I never really learned enough about them to care. The story mostly takes place in the moment except for a few events that explain current behaviors. We know very little of the characters' childhoods, so while they are developed to some degree, it never gets too deep. Most of what takes place is of a sexual nature, which was pretty steamy and fun, but not enough for me to consider this more than a three star read.

A new bride is kidnapped by a Norseman in revenge for her husband's rape and death of his wife. Taken as a slave, she resists her fate and plans her escape, only circumstance change. GOOD READ!

Enjoyed the book

I wanted to like this book so much more than I did, but halfway through the cruel treatment started feeling more like abuse than actual punishment. I made it all the way through because aside from that it was a good book

This book was a very hot sexy book, I loved it. The character Kori and Geira were great she was a spitfire and he was the master however she stood up for herself and he fell in love with her.

A good read. Pretty intense intimate scenes, even a bit a sharing. But overall, a good story. An extremely alpha male and a woman with spunk.

A very spicy read. Hero is great and full of contradictions. Heroine is strong and gutsy. Enjoyed.
