A good recopilation of the episodes in a comic. I had desired more info about the series but it's ok!

This book is well done, and no complaints about it whatsoever. It looks like Joe Books lifted the scenes directly from the episodes.

Joe Books is the best!

Perfect as a birthday gift to someone who loves Star.

I love this. It's such a cool concept, putting the episodes in a comic form. It's like watching TV, except you're reading a book.

I bought this for my daughter. She loved reading it!
