The Bijou Cock Coloring Book

Synopsis

Why have I created The Cock Coloring Book? Why not! My experiences in life have shown me the world is absurd, as are many of our public figures. I have observed that many of our elected and self-proclaimed social and religious leaders are motivated by self-interest. Many of our leaders are under the grandiose belief that they are the only ones who see the light and that their way is the only way, the righteous way. These leaders use fear, morality, and sexuality as a platform to promote themselves and their agenda's. So what better way is there for me to express my opinions and social commentary about these people and about the absurdity of life in general than through caricatures of the Cock and the Pussy, emphasized through slang words in this coloring book. By the way, I am not concerned about whether I offend someone's point of view. If you think you might be offended, then don't buy the book. This book does not denigrate or attack race, culture, men or women as a whole. Only those individuals who are public figures, elected officials religious leaders whose actions, deeds, words and opinions I feel are harmful to society. By the way, I also poke fun at celebrities I admire.

Born in Brooklyn N.Y. in 1946. Touched in 1966 being 18 years old left N.Y. on his bicycle and traveled to Montreal to see Marlene Dietrich at Expo. During the next two years he traveled and worked at odd jobs digging graves, short order cook, picking potatoes, cutting pulp wood throughout New England. Steven left New England in the summer of 1968 landing in Chicago, where he got a job managing the Aardvark Theater that showed underground experimental art films. This was the

beginning of his unusual career. With over 39 years of experience owning a broad range of adult businesses, Tushin has managed to survive (starting with his first obscenity arrest in 1969 for Jack Smith's *Flaming Creatures*, the first of twenty-one obscenity arrests and trials (others were *I am Curious Yellow* and *Deep Throat*) has flourish longer than anyone else in the adult industry despite 35 arrests, 200 busts to his businesses, five federal trials, three federal appeals (winning two) and numerous state and local trials. Tushin has defended numerous civil and criminal lawsuits in building courts, zoning problems, and local licensing problems that have led up to the Federal court system. He has been a defendant in the legal system continuously from 1970 to the present, and has had the opportunity to change a few repressive local laws. His last obscenity bust was in 1991; last police raid 1996 last federal trial 1998. Tushin has been incarcerated twice spending three years in federal prison for being in his chosen profession. Tushin is the owner of the Bijou Theater (1970) the oldest gay theatre/sex club in the U.S., and Bijou Video a gay adult mail order company (1978). His businesses have included theaters, sex clubs, gay bathhouses, massage parlors (prostitution), and adult bookstores in Chicago, San Francisco, Indianapolis, and East Chicago. Tushin made and produced both gay and straight adult films from 1971 to 1996 as well as S/M films in the 1970s and Slave & Master films in the early 1980s. In 1987, several of his Slave and Master films were indicted on Federal obscenity charges in Tennessee, Utah and Nebraska as a result of Attorney General Meese's Commission on Pornography. This resulted in an extraordinary SM trial that included many well-known people from the Leather community. Steven's book, *The Destruction of the Moral Fabric of America*, is centered on this trial. Tushin published *The Bijou Video Catalog*, the bible of gay video, from 1980 to 1995. In 1987 he made a censorship commercial that was put on 80% of all sex tapes till 1993. He has written for several weekly gay magazines, and has authored four books, *The Puppy Papers*, *Puppy's Tales*, *The Destruction of the Moral Fabric of America*, and the *Bijou Cock Coloring Book*. His websites are bijouworld.com and steventushin.com. Tushin has been the subject of numerous newspaper and television news stories. He has been on the board of the Free Speech Coalition and has continuously fought for First Amendment rights from his first arrest in 1969 to the present day. In 1989 at the Adult Video Awards show in Las Vegas Tushin received (while he was in prison) the Reuben Sturman Award For Legal Battles on Behalf of the Adult Industry. In 2007 at the GayVN award show in San Francisco, Tushin was awarded the Life Time Achievement Award from the Gay Adult Industry. He is the 3rd person to ever receive this honor. In the June 2008 AVN (Adult Video News) magazine's 25th anniversary edition Tushin was acknowledged as one of the 25 pioneers who developed the Gay/bi Adult Film Industry. In January 2009 at the AVN award show in Las Vegas Tushin was

inducted into the prestigious Founders Branch. This award recognized Tushnet's (starting in 1969) contribution as being a major player in developing the modern Adult Industry.

Not quite what I was expecting. Just tons of gay porn. Not quite a coloring book at all. I figured this would be a funny gift to give, but it is outright raunchy.

naaaa... it thought it would be witty and a variety of funny things...it is not..stupid and horribly scribbled crap

I bought this book because I thought it would make a funny gift. It was so bad I put it in the trash. It wasn't at all humorous like I thought it would be. The photo quality was terrible! Very low quality and grainy. I think I could have drawn better pictures and the celebrity photos pasted on the drawings was even worse. I wouldn't recommend this book to anyone.

A stunning display of sexuality, passionately drawn by true historians of porn. I highly recommend this as interactive anatomy lesson of the soul.

This is a fun crazy, book, according to Tushnet the cock rules the world, I think he's right, but I don't think his history of the dick would fly in any school's history class. I loaned my friends the book and they loved it, it's not heavy reading. It's all satirical caricatures, the cock rules, there's a little vagina thrown in there to. politically incorrect but right on target. The cock caricature on Hillary is great, the Church will differently get pissed at Thank Heaven for Little Boys, and I feel he was to kind to President Bush and Laura. I would like to see Tushnet do another book with Obama in it.

too many pages are messed up with faces. It would be funnier without them so you can actually color it.
