Praise for Wallpaper* City Guides: 'Ultra-stylish' Time Magazine 'Sophisticated' The New York Times USA Today 'Packed with insider info on the world's coolest hotels, restaurants, and attraction' Vogue

Wallpaper* City Guides are compiled by in-house editors and on-the-ground correspondents who live in the featured cities

This is not a guide book at all. It is essentially a magazine advertisement section. The "landmarks" chapter is 2 pictures of office buildings. I am quite sure that the few clothing stores, hotels and galleries in this "guide" paid to be included. There isn't information about anything useful. I love Wallpaper Magazine, but this book is garbage.
