A Guide Book Of Flying Eagle And Indian Head Cents, 3rd Edition

Synopsis

Award-winning author Richard Snow examines the Flying Eagle and Indian Head cents of 1856 to 1909, exploring mintages, challenges for the collector, and interesting varieties. His date-by-date research is enhanced by historical essays as well as an engaging overview of the series by the "dean of American numismatics," Q. David Bowers. High-quality, full-color photographs illustrate each coin. Snow's detailed research includes yearly production notes; market values in multiple grades (including Brown, Red/Brown, and full Red Mint State); tips on collecting circulated, Mint State, and Proof coins; and more. Other updated and returning features include a biography of designer James Longacre; an appendix on detecting counterfeit and altered coins; a history of market prices going back to 1946; and a bibliography for further research—plus section on pattern coins and toned Proofs. This expanded third edition includes an illustrated guide of the top 100 Flying Eagle and Indian Head cent die varieties; an illustrated study of Flying Eagle and Indian Head cent exonomia by Charmy Harker, *The Penny Lady*®; a new grading system from Richard Snow; and fascinating mint errors!

Customer Reviews

"I can think of no one person who captures the youthful spirit of discover; the knowledge of the numismatist; or the artistic passion these two series represent more profoundly than Rick Snow. He has keen insight into all aspects of these series unlike anyone I know." --Chris Pilliod, President, Flying Eagle and Indian Cent Collectors Society

In *A Guide Book of Indian and Flying Eagle Cents*, third edition, award-winning author Richard Snow examines the Flying Eagle and Indian Head cents of 1856 to 1909, exploring mintages, challenges for the collector, and interesting varieties. His date-by-date research is enhanced by historical essays as well as an engaging overview of the series by the "dean of American numismatics," Q. David Bowers. High-quality, full-color photographs illustrate each coin. Snow's detailed research includes yearly production notes; market values in multiple grades (including Brown, Red/Brown, and full Red Mint State); certified population data; tips on collecting circulated, Mint State, and Proof coins; and more. This expanded third edition includes an illustrated biography of designer James Longacre; an appendix on detecting counterfeit and altered coins; an appendix of more than 1,000 recent auction records; a history of market prices going back to 1946; and a bibliography for further research plus sections on pattern coins and toned Proofs.

This book is packed with color pictures and interesting facts. An easy and worthwhile read if you like the old pennies and are interested in their historical context.

"Great coin" book

Excellent book for IHC collectors. Leaves no question unanswered. Snow is the most qualified to write this book.

Contains the information I need in a pleasant format.

Just what I wanted.

Rick Snow is the quintessential scholar. Each of his texts consistently presents both the numismatic history of these coins as well as some of the best advice on learning to become a knowledgeable collector. If you are interested in Flying Eagles and/or Indian Head Coins, this book is the reference book to own!
