# WF79 - William Bell Tuba Solo Collection

## Synopsis

A comprehensive collection of William Bell's classic compositions for solo tuba are finally available in one volume from Carl Fischer Music. This collection contains nearly every solo Bell ever wrote for tuba, including some pieces that were previously out of print. Also included is a piano accompaniment CD, making practice more enjoyable and effective. A great value!

## Book Information

Sheet music: 64 pages

Publisher: Carl Fischer Music Publisher (June 2, 2008)

Language: English

ISBN-10: 0825868211

ISBN-13: 978-0825868214

Package Dimensions: 11.7 x 8.8 x 0.3 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Average Customer Review: 3.7 out of 5 stars 6 customer reviews

Best Sellers Rank: #1,525,042 in Books (See Top 100 in Books) #51 in [Books > Arts & Photography > Music > Songbooks > Brass > Tubas](#)

## Customer Reviews

Excellent collection of solos from the master. If you are interested in ensuring you have the fundamentals down as a tuba player, these are the ones to learn. Now I am an aging amateur player and was delighted to find the solo my teacher (a student of William Bell) had me learn in high school for college auditions. I would have loved to have had the included piano accompaniment CD back in the late '60s, and something to play it on. This is a great book for the student musician and those of us living to recapture our Glory Days.

Being a Bell Student from many years ago, I found these solos in many cases to not even be close to what Mr. Bell preferred the compositions performed, I am wondering why the Acc. did not allow time for the Cadenza's to be performed. Some of the Acc. in one solo was omitted. It is still nice to have a CD to practice, but should have done more research of how Mr. Bell played, and had his students play the compositions

I agree that these are not how Bill Bell played the works, but the compositions are excellent for students leaving High School, and wanting to continue playing tuba. I also enjoy having this

collection in my library for my own enjoyment.

A bit advanced and a real stretch for the high range, at least for me.

Probably too advanced for me but will try to use.

I guess it's okay, but it's not for the weekend tuba warrior. Long story short, if you can play this "intermediate" book at all, you don't need it. Go back to the philharmonic, Poindexter.
