Susanna Wesley : Servant Of God

Synopsis

This is the story of Susanna Wesley, mother of Charles and John Wesley, who were founders of the Methodist Church. She was a bright, beautiful woman whose life was turbulent but whose faith never wavered.

Customer Reviews

SANDY DENGLER is a free-lance writer who has written several articles and over 40 books for children and adults including historical fiction, biographies, and mysteries. Her latest books include The Wicked Step-Twister, The Comatose Cat, and The New Sugar Creek Gang series. She and her husband, William, live in Oklahoma and have two adult children.

Susanna, herself one of twenty five children, gave birth to nineteen. An educated girl, she could read both Hebrew and Greek as well as Latin by age thirteen. Susanna devoted herself to God, dedicated her time to teaching her nine surviving children, and was the informal worship leader for up to two hundred in the community because townsfolk could understand her explanations of the Bible and learned from her lessons. Marriage was a continual challenge even though she and Samuel Wesley remained faithful to each other once married. Sam spent time away from home as

liberally as he spent the meager funds he earned. Susanna only escaped debt near the end of her life. Sons John and Charles experienced inner heart-warming, something Susanna never understood about their father until 4 years before her death. This book purports to be a teen book but adults reading will be blessed!

Although this book is written for children (and I didn't know that until I had bought it), there is enough meat here to keep an adult interested although it is written in an easy, story-type narrative. We see Susannah Wesley as a resourceful woman who brought up her family almost single-handed, but was not without her faults. Her Christian spirituality is a strong feature of this book - fair enough; it was important in her life. Her upbringing of her boys, and the problems of her girls - intelligent women in an age where women's intelligence was at best ignored, and worst, vilified - are realistically handled. I was engaged throughout, and found a lot to think about in it.

I really enjoyed reading "Servant of God." It is a well-written biography of Susanna, the mother of John & Charles Wesley. Although labeled preteen, it is a wonderful book that all ages will enjoy. I couldn't put it down.

Interesting book about the mother of John Wesley. Even though it was for preteens it really is not all that simple that even older readers would not enjoy it. If you want more information on the children or the husband there are many books available. I thoroughly enjoyed this book. I purchased this book through to read on my new Kindle Fire 8.9 which I truly love.

My favorite biography of Susanna Wesley.

I could not put this down! Susanna Wesley was an incredible woman and this book told her story well. You will not be disappointed!

good read

Awesome faith in this woman and it just goes to show no matter what era you live in Jesus alive in your hearts produces good fruit and enduring truth to build lives that give back so much to the world He came to save!!!
