## Customer Reviews

After the initial detox, I'm using this diet once a week to maintain total cleanliness and eliminate the last traces of belly fat. I've been using Paleo on my doctor's advice for a year and half and the improvements in my health have been miraculous. You have to try it for yourself. I've lost thirty five pounds and my body looks completely different to when I started. Blood pressure is normal and I look years younger. It's all in the diet, gals. Get on the programme today.

Awesome! I am a big fan of the Paleo diet and this book came just at the right time. I had a pressure cooker for years but have not used it in so long so I was intrigued to see the Paleo recipes just for the pressure cooker. The book is easy to follow and nicely written with plenty of pictures. It includes meals for breakfast, lunch and dinner as well as condiments and broths. Worth purchasing!

It's not very easy to find good book of paleo instant pot recipes. And this one is really very good. It has many tasty recipes that are easy to made. I found to myself some dishes that I liked very much. Not very unique book, but it made good. If you want to find some new paleo instant pot recipes, than this book is for you.

The Paleo Cookbook has some incredible, simple recipes that make delicious meals that aren't too difficult to pull together for the novice. They are simple enough to make, but delicious enough to

impress your friends and family. All recipes in this book are saved with simpler ingredients with easy cooking directions. If you're just getting into the paleo lifestyle and you want a full rundown of what it's all about, this is the book for you.

The table of contents and page numbers don't match. Formatting is off. Just not a quality book. Not worth the money.

I like this way of cooking and was looking for a cookbook for Paleo. Nice, delicious meal for breakfast, lunch and dinner, recipes are awesome and easy to cook. Recommended.

This is a small book with a precious thing in the form of wonderful recipes on the paleo diet. I recommend this book to you on the quality basis. This is an ultimate instant pot cookbook.

I really liked this cookbook. I found it perfect to have this book! The recipes are delicious and yummy. I tried some and it's so easy to prepare and the ingredients are affordable. Awesome!
