## Customer Reviews

This book is awesome.

I buy this book over and over to give out of state/country visitors. Gorgeous photography. Really shows off what a beautiful state Utah is. I've bought other books as they've come out but always go back to "Utah on my mind".

Highly recommended. As I first began to leaf through the glorious pages of Utah On My Mind I was struck with the beauty of the state. The variegated landscape, the deep greens, the canyon reds, and the brilliant whites all came together like the mixed and mingled hues of a navajo rug. The book itself provided me with a heightened sense of respect and awe for the great state that is. . . UTAH!
