Tales From The River Brahmaputra [Tibet * India * Bangladesh]

Synopsis

The River Brahmaputra runs from the Himalayas in Tibet, through India, and on through Bangladesh, winding its way through three countries, numerous languages and cultures, and three great religions: Buddhism, Hinduism, and Islam. *Tales from the River Brahmaputra* follows the course of this sacred river with 150 stunning photos accompanied by descriptive text, seeing in its timeless flowing an allegory of birth, childhood, youth, maturity, and old age. The book chronicles the lives of the people who live along the river and their relationship to it, as well as each region's architecture, agriculture, history, religion, and culture.

Customer Reviews

In this lavish coffee-table book, translated from the original Italian, the Baldizzones (*Timeless India*, Antique Collectors' Club, 1997) explore one of South Asia's major rivers through its myths and religious lore. Rising in Tibet and merging with the Ganges in Bangladesh, it is also known as the Tsangpo and the Jamuna. The stunning photos depict traditional life along its course, and the text blends background description with an account of the authors' travels along it in 1995. What it lacks is a map of the river today so that readers can follow the text more easily. Nonetheless, this is a rich visual introduction to a little-visited region that will likely not stay the way it is much longer. The Chinese are said to be considering damming it in Tibet. Recommended for public libraries that can afford such high-quality but unavoidably expensive travel books. —Harold M. Otness, Southern Oregon Univ. Lib., Ashland

Text: English (translation) Original Language: French

The Brahmaputra is an extraordinary holy river that flows from two main sources, one in the Indian Himalayas and the other on the Tibetan Plateau. Dramatic landscapes, vastly divergent lifestyles and three major world religions provide the backdrop for Brahmaputra's thousand mile journey to the sea. The book tells the story in lavish photographs and words, of the journey from the sources of the great river to the Bay of Bengal. It is beautiful, inspiring, meditative and makes you long to be there.
