Beautifully written, great pictures, and quality board book. I love the different animals that are not always go to animals in kids books.

My 3 year old son loves these books. I do too- they're cute and not tedious to read, and not too long or short of a story. You won't be disappointed.

My Grandson was so excited to receive these three Bear books! He just turned four and had told me he wanted these for his birthday!! (He has one Bear book that I would read to him, and one day he showed me the back cover of that book, and it showed these books and he pointed to them and told me he would like those) We had to read all three upon opening them!! Love the Bear series!

I love Bear books, the stories are cute and the pictures beautiful. I'm glad I found this board book set as my toddlers are little destroyers and paper version wouldn't last long. Definitely recommend to all Bear lovers.

My grandson loves these books!

My son absolutely loves Karma Wilson's bear books! We have this little collection and it's a well loved favorite. The illustrations are beautiful, the story has a sweet little rhyme to it and Bear is very endearing. A must have for the kiddos in your home!

We love the Bear books in our house and these ones live up to our expectations. I ordered these for my three year old son and he absolutely loves them. Very cute stories with adorable illustrations. We will be enjoying these books for years to come. Could not be happier!

Terrific as are all the Bear books. We love this illustrator, have lots of her stuff. My daughter loves the sturdy box, too, and spends a lot of time taking the books out & putting them back in.
