# He Comes Next: The Thinking Woman's Guide To Pleasuring A Man

## Synopsis

Transform Yourself from "Passion Victim" to Passionista! In the smash hit *She Comes First*, Ian Kerner singlehandedly waged battle against male sexual "ill-cliteracy," and women everywhere benefited from his "viva la vulva" philosophy of female pleasure. Now, in *Passionista*, it's time to learn all about what turns men on and makes them stay on. In this point-by-point, "blow-by-blow" guide, Kerner makes giving as much fun as receiving as he covers every angle of male sexuality, unlocks the secrets of satisfaction, and offers knowledgeable answers to the questions every woman wonders about. His advice is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest* so popular, *Passionista* is the empowered woman's guide to enjoying sex to the fullest.

## Customer Reviews

• In *Passionista*, his pleasure is all yours! • (Tracey Cox, bestselling author of

*SuperSex*) • *Passionista* satisfies the reader with tasty morsels of sexual enlightenment, nibble by nibble, bite by bite. • (Lou Paget, best-selling author of *How to Be a Great Lover* and *The Great Lover Playbook*)

The companion book to Ian Kerner's smash success *She Comes First*, *He Comes Next* offers women his sometimes radical, always expert advice on everything from the nature of male desire to sex-techniques that work. While women everywhere benefited from Ian Kerner's sexual philosophy of

female pleasure in *She Comes First*, now it's time to learn all about what turns men on and makes them stay on. In *He Comes Next*, Kerner covers every angle of male sexuality, illuminates the most common sex-life ruts, and offers practical, knowledgeable answers to women's most frequently asked questions. In his role as a sex therapist, Kerner has spoken with countless men not only about the best sex they ever had, but also perhaps more important about the best sex they never had -- experiences they always desired and fantasized about, but were afraid to share with their partners. In the spirit of "full exposure," *He Comes Next* is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Sexual pleasure goes beyond tips and tactics, however. Our sexual identities -- and the expression, gratification, and growth of these identities -- is fundamental to the success of our intimate relationships. With step-by-step and -- yes -- blow-by-blow detail, Kerner provides a clear, concise, achievable vision of sexual pleasure, one in which each technique forwards the action and where the whole is greater than the sum of its parts. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest -- You're Not That Into Him Either* so popular, *He Comes Next* is the thinking woman's guide to enjoying sex to the fullest and ensuring that he does the same.

Not a lot of technique - but some. Something more useful though; an attempt to make women understand the male psyche in relation to sexuality better.

Book is very helpful to why men are the way they are and how to fight through those barriers....

this book help me to solving situation better. tks author

I really liked how this book discussed techniques and emotional presence. It was a very easy read. I will refer back to it for tips.

Ian Keller does it again! I love his Attention to detail-not only when explaining physiology but also detailing the actsThemselves

Factual, helpful, quick read, great results! My man was VERY happy when I finished the book and put my new knowledge to use! I recommend "She comes first" for men! Excellent information for both!

I learned a lot about the psyche of men and sex and there were some interesting tips and tricks said.

Great read! Lots of great advice and lessons in pleasuring a man. Learned a lot and will be very useful. Writing is easy reading and entertaining as well as educational. Will probably review again.
