Customer Reviews

Good second book can not wait for the next one. I recommend it to everyone who loves superhero stories and comics.

This book is amazing. It has lots of plot twists and a good story line. If you are debating buying it then you really ought to just get it. I suggest that if you were about to turn your device off, don't. It is a really awesome book.

Well thought out sequel, very interesting, can't wait to read the 3rdbook.
