The Politically Incorrect Guide To Jihad (The Politically Incorrect Guides)

Synopsis

The bestselling Politically Incorrect Guide series provides an unvarnished, unapologetic overview of controversial topics every American should understand. The Politically Incorrect Guide to Jihad pulls apart the dark world of radical Islam, exposing the inner-workings and motivations of the most violent menace of the 21st century.

Customer Reviews

After every brutal attack we hear the same comfortable clich $\tilde{A}f\hat{A}$ ©s: Terrorism has nothing to do with Islam. Most Muslims are moderate. Or that \tilde{A} ¢ $\hat{a} \neg \hat{a}_{,,}$ ¢s what the authorities tell us whenever Americans die at the hands of a guy shouting, "Allahu akbar. \tilde{A} ¢ $\hat{a} \neg \hat{A}$ • For some strange reason, though, angry adherents of the Religion of Peace continually resort to mass shootings, beheadings, and suicide bombs in their efforts to win the world for Islam. That campaign of violence is known to Muslims—and these days to the rest of us, to our sorrow—as jihad. Far from an aberration, it has been an integral part of the religion of Muhammad from the beginning. Now, former professor and author William Kilpatrick skewers the politically correct nonsense surrounding jihad and shows its true causes, the jihadists \tilde{A} ¢ $\hat{a} \neg \hat{a}_{,,}$ ¢ ultimate aims, and their terrifying successes to date. The Politically Incorrect Guide to Jihad reveals: Islam doesn \tilde{A} ¢ $\hat{a} \neg \hat{a}_{,,}$ ¢t mean "peace \tilde{A} ¢ $\hat{a} \neg \hat{A}$ •; it means "submission \tilde{A} ¢ $\hat{a} \neg \hat{A}$ • Jihad is a religious obligation that remains in force until the whole world submits to Islam The idea that jihad is an inner struggle is "hogwash \tilde{A} ¢ $\hat{a} \neg \hat{A}$ • Wealth and education, not poverty and ignorance, are the risk factors for jihadist terrorism "Peaceful Islamââ \neg • is a holdover from the long-dead colonial era Police in the UK arrest an average of a jihadist a day Why jihadists have been more successful at infiltrating America than the Nazi ever were How stealth jihadists are moving to take over schools and impose sharia law without firing a shot How political correctness about Islam kills Kilpatrick exposes those who are enabling the jihadists through appeasement, and provides long overdue practical recommendations for how we must defeat jihad.

William Kilpatrick is the author of Christianity, Islam and Atheism: The Struggle for The Soul of The West and Why Johnny Canââ \neg â,,¢t Tell Right From Wrong. His articles on Islam have appeared in Investor's Business Daily, FrontPage Magazine, Jihad Watch, Catholic World Report, the National Catholic Register, World, and other publications. Kilpatrick previously taught at Boston College. For more on his work and writings, visit his website, turningpointproject.com.

The Politically Incorrect Guide to Jihad is Dr. William Kilpatrick $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{,,\phi}\phi$ s latest masterful work on Islam and its seemingly omnipresent $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{A}^{,\phi}$ jihad, $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{A}^{,\bullet}$ in which he both documents the bizarre capitulation of the West to the mass

 $\hat{A}f\hat{A}\phi\hat{A} = -\hat{A} \hat{A}$ "migration $\hat{A}f\hat{A}\phi\hat{A} = -\hat{A} \hat{A} \cdot \text{ of Muslims, and demolishes the dishonest tropes$ proffered by the apologists of Islam. With scholarly precision and humorous, accessible prose, hedemonstrates the absolute incompatibility of Islam with Western civilization, and reveals the dangersto the peace and wellbeing of Europe and North America that Islam necessarily poses. Perhaps themost disconcerting element of the modern problem of Islam that Dr. Kilpatrick addresses in thisbook, however, is not the danger of jihad itself, nor even the intrinsic barbarism of Islam. It is ratherthe culpability of the Western media and governments in facilitating the dispossession of their owncountries, cultures and peoples.Indeed, the capitulation that Dr. Kilpatrick has meticulously andrelentlessly documented, both in his books and in his many articles, is so far advanced, that onesometimes wonders whether hope remains. That this book needed to be written is, in this sense, anominous sign; but that it has been written is a sign of hope. Perhaps the West is not quite dead yet.

Mr. Kilpatrick $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \ \neg \tilde{A} \ \hat{a}_{,\phi}cs$ latest book is a welcome source of accurate information on Islam, "the biggest story of our time." He points out that $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \ \neg \tilde{A} \ \mathring{A}$ "many in the West still labor under the delusion that jihad is an interior spiritual struggle, $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \ \neg \tilde{A} \ \hat{A}$ • and that $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \ \neg \tilde{A} \ \mathring{A}$ "many more have swallowed the establishment line that jihad violence has nothing to do with Islam. $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \ \neg \tilde{A} \ \hat{A}$ • Mr. Kilpatrick does an excellent job of setting forth the true facts about Islam and jihad and cutting through the misinformation and lies of the current age. $\tilde{A}f\hat{A}\phi\tilde{A}$ $\hat{a} \neg \tilde{A}$ \hat{A} "Islam itself $\tilde{A}f\hat{A}\phi\tilde{A}$ $\hat{a} \neg \tilde{A}$ \hat{A} |was founded in militancy and spread by violence, $\tilde{A}f\hat{A}\phi\tilde{A}$ $\hat{a} \neg \tilde{A}$ \hat{A} • and this book makes it clear that violence is still a fundamental aspect of Islam, but Mr. Kilpatrick also perceptively calls our attention to what he calls $\tilde{A}f\hat{A}\phi\tilde{A}$ $\hat{a} \neg \tilde{A}$ \hat{A} "cultural jihad."The leftists, pushed by the "stealth jihadists," have found a disease in America: the truth about Islam and jihad. The cure? Constant doses of political correctness and courses in peaceful dialogue. What we need in our time is the facts, which is exactly what The Politically Incorrect Guide to Jihad provides.With the election just around the corner and the Muslim question taking such a prominent place in the national scene, this is a particularly valuable book, as it contains information which one certainly would not receive from the mainstream media and would have a hard time gathering elsewhere.

The Politically Incorrect Guide to Jihad is a clear, detailed, and thought-provoking analysis of Islamic jihad. While providing thorough coverage of the threat from terrorist groups such as ISIS and Al-Qaeda, the book also devotes considerable attention to what the author calls "stealth jihad." The author gives numerous examples of the infiltration of American institutions through stealth jihad, and ably demonstrates that political correctness in our schools, churches, media, and government serves to enable jihad.Kilpatrick's analysis does not merely scratch the surface, but delves into the roots of jihad in Islamic theology and history. In addition to evaluating the threat from jihad, he outlines several concrete strategies for defeating it. This book is essential reading for anyone who wants to better understand and resist one of the most menacing threats to modern society.

If you live in the West, you have almost certainly been deceived about jihad. YouÃf¢Ã ⠬à â,,¢ve either had stories of violent jihad recast as Ãf¢Ã ⠬à Å"workplace violenceÃf¢Ã ⠬à • committed by Ãf¢Ã ⠬à Å"self-radicalizedÃf¢Ã ⠬à Å• individuals, or youÃf¢Ã ⠬à â,,¢ve been told that violent jihad isnÃf¢Ã ⠬à â,,¢t the real jihadÃf¢Ã ⠬à â•jihad, so the story goes, is a peaceful, private, spiritual $\tilde{A}f¢Ã ⠬à Å^*$ struggle. $\tilde{A}f¢Ã â ¬\tilde{A} Å•$ William Kilpatrick debunks the lies and highlights the misdirection. Forcefully argued and carefully researched, Kirkpatrick $\tilde{A}f¢\tilde{A} ⠬à â,,¢s$ latest book offers a timely and accurate account of the origins, nature and practice of jihad. Especially valuable is his documentation of $\tilde{A}fA¢\tilde{A} â ¬\tilde{A} Å^*$ stealth jihad $\tilde{A}fA¢\tilde{A} â ¬\tilde{A} Å•\tilde{A}fA¢\tilde{A} â ¬\tilde{A} â,,¢s more thoughtless advocates of multi-culturalism and political correctness.Of particular value is$ Kirkpatrick $\tilde{A}f\hat{A}\phi\tilde{A}$ $\hat{a} \neg \tilde{A}$ $\hat{a}_{,,\phi}\phi$ s recommendations for a more honest and robust response to the tactics and intentions of the practice of jihad. In his view, psychological, spiritual and ideological victory is necessary to resist opponents who want the West to submit or die.

I can't imagine a more useful, or necessary, book. The fight might already have been lost -- that is, Western civilization might already be doomed in the face of the onslaught of 7th century demonic tribalism accepted as legitimate religion, abetted by cowardly Western politicians who are willing to sell out their countries, and their souls, in return for cash from the Arab world -- but if there is a chance to save it, this book and books like it are absolutely instrumental. And while it is relatively easy to write a book exposing and debunking Islam, given its teachings, origins, and history, (for instance, those by Robert Spencer), it is harder to do so in an engaging, entertaining, somewhat humorous, and not depressing way. In that this book absolutely excels. Not only does the reader learn the necessary facts underlying jihad, but he does so in the course of an enjoyable, not dreary or depressing, read.
