ARIVACA: Guardians Of The Light

Synopsis

Jesse Ballard's life is filled with misfortune. His parents are dead, he's been convicted of a crime, and a dark secret torments his soul. But when he's incarcerated on a ranch for troubled teens he discovers his troubles have just begun. A Supreme Power has literally hijacked his life, bringing him to the ranch to make him the guardian of a powerful relic that was hidden away 2600 years ago when Solomon's Temple was destroyed. Given superhuman powers, Jesse is suddenly thrust into a strange and perilous world of supernal treasures, killers and demons • battling the dark forces who desperately seek the sacred artifact. Thinking he's on a one man mission, Jesse is shocked to learn that Cedar Lane, a girl who seriously despises him, has spiritual gifts essential for keeping the relic safe. Without her help, he's in jeopardy of losing not just the relic, but his life. As Jesse unravels this secretive and dangerous world he learns the ups and downs of young love, and both the reward and peril of following his divine call.

I so enjoyed Arivaca....it was entertaining, clean, with just the right amount of action, mystery, romance and fantasy. The interaction of the characters was perfect. The description of the desert in AZ was right on. I hope the author continues his writing and the story about the Guardians of the Light.

This book grabbed and held my interest from the first page to the last, and I couldn't put it down, I sat and read it until it was finished, Well written, great characters and a great plot. I highly recommend this book, This could also easily be written into several sequels. One of my all time favorite books. This was that good!

Great book. Well written with plenty of suspense to keep you reading. I have fallen in love with Jesse and Cedar and am looking forward to their further adventures. Can't wait for the next book. Eleanor T.

Very compelling book. Twists and turns in the plot kept you wanting to read more to find out what happens. Looking forward to the next volume to see where the roles of Jesse and Cedar and taken to next.

Very good read. Easy flow of thought and an obvious knowledge of the subject and locale. Anxiously looking forward to the next story.

Purchased this book for my 12 year old grandson. He finished it in a week and can't wait for the sequel!!!!
