Customer Reviews

I'm learning a few things here and there in the kitchen. I'm learning new skills, techniques and a new

love for cooking. Easy Mexican Cookbook has very simple, yet tasty recipes that my whole family enjoys! I've tried so many different recipes since reading this great guide that I had no clue of and that have never been introduced to me in my life. This cookbook has not only introduced new cooking recipes it has also giving me a bit more of an insight on the Mexican culture based on the foods. I will continue to master my abilities in the kitchen with this guide by my side. I can't wait!

Amateur cooks will love this. Not a lot of talk, just basic recipes which are doable, thus will be used.

I gave this book to a young man living on his own for the first time. It's perfect! The instructions are clear, simple, and user-friendly. There are no advanced cooking methods required, no unfamiliar terminology, no hard-to-find ingredients. I highly recommend this book especially for a new cook who loves Mexican, but also for anyone who simply appreciates some, clear instructions for delicious recipes.
