## Customer Reviews

I bought 6 books from this collection for my 3 yr old son. He likes books in general but I enjoyed option of Russian and English. Now his grandparents read to him in Russian and my older niece in English. Paper quality is good, pictures and colors are bright. Books are thin (I bought paper copy) - which is positive and negative: easy to carry anywhere you go but at the same time I feel they would wear out quickly. Also feel that price of almost \$10 per book is high Overall great product!

my kid love this book. and i bought every one of them that is sold here . wish there were more books in Russian sold on .

This book is intended for more like a 2y/o. For a 5y/o i would want better graphics and storyline.. Great quality book and manufactured materials just the substance was lacking. Very hard to

determine from an online presentation without being able to hold the book in your hand.

Very nice!
