Chanel: An Intimate Life

Synopsis

By the end of World War I, Gabrielle 'Coco' Chanel had revolutionised women's dress. But dress was the most visible aspect of more profound changes she helped to bring about. During the course of her extraordinary journey, from abject poverty to a new kind of glamour, she would help forge the idea of the modern woman. Unearthing an astonishing life, this remarkable biography shows how the most influential designer of her century became synonymous with a rebellious and progressive style. Her numerous liaisons, whose most poignant details have eluded previous biographers, were the stuff of legend. Witty, strange, mesmerizing, Chanel became muse, patron, or mistress to some of the century's most celebrated artists, including Stravinsky, Picasso, and Dali.

Book Information

Audible Audio Edition

Listening Length: 16 hours and 57 minutes

Program Type: Audiobook

Version: Unabridged

#800 in Books > Audible Audiobooks > Biographies & Memoirs > Artists, Writers & Musicians

#924 in Books > Audible Audiobooks > Biographies & Memoirs > Entertainers & Celebrities

Customer Reviews

If you love biographies, then this one will absorb you, who would have thought morphine would play such a huge part in her life. The lengths she went to to be able to market her extreme talents, the people she met, loved and played with along the way. I loved this book, and will read it again.

Lisa Chaney's book is well written and extremely well researched. I found it fascinating.

A real struggle
